the approaching municipal election .---didate," independent of former political considerations. Without having been we still cannot refrain from bearing testimony to the fact of Mr. Weaver having officer. We had hoped to go through our municipal contests without partizan nominations, but the Republican leaders are determined to monopolize everything

in the way of patronage, and there is no alternative left the masses opposed to questionable, they are superior to the United them, but to put other candidates before the people. ----

A UNION NEWSPAPER TO BE STARTED AT PORT BOYAL .- The transport Atlantic. on her return to Port Royal, will take out a printing press, cases, type, &c., with a view of starting a newspaper, to be conducted under the supervision of Gen. Sherweekly sheet, which shall express the sen-

same time aid in suppressing rebellion on the soil of the Palmetto State. A NEW YORK fashion writer says the

most charming toilette at the Academy last Monday night, consisted of a very tight gray silk dress, a white opera cloak, lined and trimmed with rose of and trimmed with rose color, and deheate-ly fitting rose colored kid gloves.

ops have conquered in every battle which has been fought upon the Potomac. Whether their superiority consists in courage and enthusiasm, or a superior use of

arms, or in both of these causes, the fact is un-States troops in battle. Gen. Beauregard's report ust submitted, of the battle of Manassas, states that, aithat battle, there were 28,000 men in the

Confederate army. Our readers will now remember the correct statements of our published correspondence in this particular, and with what incre- ber, four months, ien millions of cartridges for iulity these low figures were received shortly be- muskets and small arms were issued by the ordinfore the battle. It was mistakenly believed we had ance department to the army of Polomac. This under General Beauregard from 40,000 to 60,000 troops.

Of these 28,000, there were but 7,000 immediately man. A proper person will be selected as editor, and it is contemplated to issue a washir shart which shall avanues the area of the selected as a selected a weekly sheet, which shall express the sens tion of twelve month's volunteers! Our e-cape timents of the Government, and at the seems providential. The United States authorities admit that they had fifty six thousand men in the field. Ger. McDowell, in his official report,

states that 18,000 crossed Bull Run and were enga ged. This would make the proportion three to one, basides an intracuse body in reserve. Gen-Evans ip his recent gallant victory at Leashurg, where there were three to one, only repeated the practice of our daring and success

at Bethei Church, Bull Run, Manassas, and, mer⁶ very limited quantities.
