CITY MATTERS. ADMITTED TO PRACTISE .- On Saturday morning Mr. J D. Hancock, on motion of Wm. Bakewell, Eq., and Mr. E. A. Montcoth, on motion of A. M. Watsen, Eq, were admitted to practise in the Courts over which Judges McClure and Molion preside.

RAILBOAD APPOINTMENT-By a circular from the office of the Pittsburgh, Fort Wayne and Chicago Railway we learn that John B. Jervis, Eq., has been appointed General Superintendent of that

NEW CAMP ETIDEMIC - It is stated that a new, tingujar and dangerous epidemic fever has made its appearance amongs the soldiers of the Thomas A. Scott regi ment, stationed along the line of the Northern Central Railroad between York, Pa, and Baltimore. Some eighteen are now in the hospital, some of them dangerously ill. The general symtoms of the disease are similar to the camp fever, the peculiarity being that its victims become covered with purple spets. No local cause can be assigned for it, as the neighborhood has been always regarded as being very healthy. The officers of the regiment think that it originates in the severe colds contracted by the mon whilst expected on night duty during the very wet wenther which recently prevailed.

THIRTY-FIRST REGIMENT PENNSYLVA NIA VOLUNTEERS - We are glad to be able to contradict a statement which we published a few days since in reference to this fine regiment. We are credibly formed that it never was in a more prospercus condition. They have just received new uniforms, having had their evercoats some time. There has been no mutiny, SPALDING'S no resignation of officers, except a couple who were incompetent, and their places have been filled by better men. The dist is pronounced, by those who are judger, as fine a regiment as has left the State. They

have our good wisbes.

DEATH OF PENNSYLVANIA SOLDIERS. -The following Pennsylvania soldiers have died near Washington since last report: Charles Sitter, 52d Pa. volunteers: Matthew Cavanagh, 4th Ps. volunteers: B. W. Ballard, 45th Ps. volunteers; Cor. SELLERS' COUGH SYRUP. roral Alex. Morgan, 12th Pa Reserve. STILL ANOTHER REFINERY BURNED The oil relinery of Messra. Evens, at Frank lin, was entirely consumed by fire on Fr day of lest week. The Citizen says: "Th gas, as usual, took fire instantaneously, an immediately enveloped the building in flames, which defled all attempts to extinguish them. Fortunately no one was injured by the accident. The loss we ar unable to estimate. The burning of two refineries in this place within a short peri od has created a hostility to their erection in places where other buildings are suffi-

ciently near to be fired by them." CAPT. BRUNN, of the Friend Rifl s, telegraphed Mr. Morganstern, of this city, on Saturday, that "not a member of the Friend Rifles had died" We are glad to CIIRIST HAS PRES

Railroad Preject. The New Castle papers announce the sale of the Pitteburgh, Cleveland and New Castle Bailroad to the bendholders The Courant says: "A plan is new proposed by which the road may be finished to this place, in such a way as to make the in-vestment prefitable to the steekholders. It is proposed to "water" the bonds, by reducing them one half, and, we are told, that all who have been speken to on the subject have cheerfully agreed to the proposition. There is no doubt that all will agree to this course, as the bonds are worthless, except something is done, and in this way they may be made valuable It seems probable that the route of the read will be changed, and that it will tap Lace Collars. the Pittsburgh, Fort Wayne and Unicago Railroad at Homewood station, instead of Darlingt in. If this route should be adopted, the distance to Pittsburgh will be some three miles less, and two summits will be avoided. A number of our best business men have taken hold of the matter among whom we may mention A. L. Crawford, of the Cosalo works, and Wm G. Darley, of Pittsburgh, formerly en-gineer of the C. and M. Railroad, has been engaged to make a survey of the new route proposed. It is probable that a corps of engineers will be at work early next week. If the present plans succeed, the road will be pushed to completion as speedily as possible. Work will be comthe cars may be running by the 4th of

SHOPLIFTERS ARRESTED IN CLEVE.
LAND.—The Cleveland Plain Deater has the following item: "Charles Hapwood, Elizabeth Jones and Edwin Jones were arrested last evening by Marshal Minck-ley, assisted by officer Givens, in the act of atealing silks and laces from the store of Freeman & Kell gg, to the amount of fifty dollars. The rascals are from Pittsburgh, and are very noted shoplifters, being well known to the police. The goods con sisted of sick dress patterns, shawle, skirts and other women fixings. There was an attempted scattering of the goods when the officers invaded the Ohio street crib. but precaution; had been taken to cut off all chance for a successful skadaddle. The trio of shoplifters were adroitly caught and securely caged."

THEATER —The new pantomine of "The House that Jack Built" was received on Saturday evening with loud demonstrations of satisfaction from a large audience It is well gotten up and contains many new and laughable tricks, while the parts are all well sustained by the company .-We advise all who love fun to be at the Theatre to night, when the pantomime will be repeated, with the tragedy of "The

FATAL ACCIDENT -A colored man with a three hors team belonging to Mr. James West, of Redstone township, was coming into town a few days since, when the horses running off, came in contact with an elderly lady, a Mrs. Carlisle, producing injuries of which she died in two or three days after the accident .- Browns

ville Clipper. Commission READ -Judge McClure appeared in his accustomed place, on the bench of the Quarter Sessions Court, on Saturday morning, for the first time in several weeks, during which time he has been confined to his house by illness. He had been sworn in by Judge Williams, under his new commission, which had been duly recorded, last Monday and on Saturday morning the document was read

in open Court by the clerk. DEAD -A dispatch from Washington announces the decease of Wm. Clowes, a volunteer in one of the companies from this vicinity. The parents of the deceased reside in Sharpeburg, and the body will be brought home for interment. He died near Washington city, of typhoid fever.
