TUESDAY MORNING ...... DEC. 17. CITY MATTERS. New Map of Allegheny County,

Co. The gentlemen referred to have been very successful in completing this survey very successful in completing this survey and the map will show the results of their labor to be far superior to anything previously attempted in this part of our State. The township lines, streams of water, hills and mountains, will be accurately delineated. The roads have all been measured and the distances will be placed in rods on every road in the country. The houses every road in the country. The houses will appear with the names of owners throughout the county, except in Pitts-burgh and vicinity, which will be represented on the margin of the map by a fine-iy engraved plan, showing all the streets and general form of the city and vicinity.

and general form of the city and vicinity. There will also be given upon the margin of the map separate plats of all the bordoughs and villages, around the city plan of Pittsburgh. A Business Directory will be given, where the business cards of all patrons of the work will be grataitously engraved, thus furnishing our professional and business men an excellent enportunity. and business men an excellent opportunity of permanently and effectually advertising throughout the county. As this map must be a standard work of reference for years come, we are confident that our business men will improve the opportunity thus afforded them of having their cards so ex ensively circulated.

The publishers, who are now in the city, will call upon our citizens, give them an opportunity of examining their work and receive their cards for engraving.

We bespeak for them a cordial greeting CHARTERED BY THE LEGISLATURE OF PRINSYLVANIA.

FURTHER DETAILS. WASHINGTON, December 16.-The folowing are the complete dispatches pub-ished by the Norfolk Day Book on Fria BRENCHVILLE, S. C. Ten Miles from Charlestor, Dic 12-Passengers who ave just arrived here, report a destructive fire last night at Charleston. The fire commenced in Charleston last night, Dec. 11.h, at 9 o'clock, in Ruzel & Co.'s sash

factory, at the foet of Hazel street, and communicated to the oppositeside of Hezel street to Cameron & Co.'s machine shop.
Under the impulse thus given, and a stiff

Massac street.
A considerable portion of the city from CHILDRENS
A considerable portion of the city from East Bay to King street is destroyed.—
Among the prominent buildings burned are the Institute, St. Andrew's Halls, theatre, Catholic Cathedral and the Circular Church. At last accounts from Charleston, up to five o'clock this morning, Dec. 12th, the fire had crossed Broad street and was sweeping furiously on. The telegraph lines to Charleston are down, consequently we are not able to state whether the fire

has ceased or not.

Branchville, Dec. 12th, 5 o'clock P M.—The fire is still raging. A thousand houseless persons are huddled in the streets. The express train left Augusta this afternoon with provisions to supply the wants of the sufferers, and men to assist in con-

trolling the fire. The Victory at Cheat Mountain CINCINNATI, Dec. 15 - A dispatch from Phillippi says that our force at the late battle at "Allegheny Camp," Cheat Mountain numbered 1800. They came in sight of the enemy, drawn up in line of battle, in front of their intrenchments. They charged upon them and drove them back. A hot fire was kept up durng the whole afternoon on both sides, and

several brilliant charges were made by our Gen. Milrey withdrew at nightfall fully intending to renew the attack the next morning. During the night, however, he rebels silently left their camp, burning everything they could not carry with hem. Our loss was twenty killed and thirty wounded. The rebel loss was one hund. red and fifty killed, including one field

By this action Gen. Reynolds' front is completely cleared of the enemy, there being no organized rebel force within forty miles of our advanced posts.

A detachment which was sent from Phillippi on Saturday, returned last night with ten rebel guerillas, including the no-torious Jake Kurn.

Boundary Controversy Settled Washington, December 16—In the Supreme Court the case of Massachusetts and Rhode Island establishing a boundary line between them, was heard to-day.— Hon. John H. Clifford and S. H. Phillips appearing for Massachusetts, and Messrs. Jenckes and Bradley for Rhode Island, and Attorney General Bates for the United States. After hearing the parties the Court passed a final decree establishing the boundary line as set out in the report of the engineers. the decree to take effect on the 1st of March, 1862. This controversy commenced as far back as 1780, and was submitted to the commissioners in 1745, whose award was rejected by the King and his council. Since then the question of boundary has been an open one, but is now settled forever. It is understood that Judge Black, of Pennsylvania, has been appointed reporter of the Supreme Court. E. M.
