journed; but no taxes have been colerd sin ri, who comman is the schemeed forces at Manuscase, sul who is only its year of age, is the lected, and so we go to the Secretary's non-n-l w 1 Colon-i (now Briga her General) 5 last recommendation how to raise reve Go ree Goke, of the legalar Federal army. Gennue to meet the demands of our governeral Cooke has and her source law, who was a surment. Upon this new financial exhibit geon in the Co federate army, and a son in com of Mr. Chase the National Pepublican mang of on-of t e heavy balveries on the Folo inge. He is the usele of John Fatar Cooks, the (D, C) a sort of central R-publican or nosel si, who is sorgeant in a how it is dompany a gan, speaks as follows, which looks as if the new scheme for maxing revenue when the new scheme

the new scheme for raising revenue was little better than the last :

"In our judgment, the measures proposed by the Secretary of the Treasury for the improvement of the revenue are inadduty. the improvement of the revenue are inac-equate to the emergency, and we see noth-ing in his report but a very laced descrip-tion of a straight road to run, in which we are not at all incided to travel. In the continuance of the war for the trial of cases stead of an excise taxation of twenty mil lions per annum, the amount should b nearly one bundred millions, and there is wherein debts and money are involved. really no difficulty in raising even a great The Richmond Dispach f the 4th inst, pr er amount without any undue disturbance of national industries. An exc se of only

a cent per pound upon cotton would pro Orgewel: and Corcoran, in case sny of their priduce twenty millions annually, and cotton is only one of many articles not referred to jues, will have no weight what var in preven ng by the Secretary which are most fit sub-jects of taxation. We have been so long beezeoution of our two col. nels. It adds, that however much the Confederate authorities may in the babit of looking to imports only for revenue, that it takes a little time to realfeel for Mas 'n nd Sided, it will not permit their lives to stand in the way of its proposed retainco ize that revenue may be drawn from other sources. And yet it is from internal taxes and not from custom house duties, that the

most enlightened governments of Europe draw their incomes, and while experience has proved that internal taxes are the cheapest in collection, it is, to day, the opinion of the English that such taxes may s so imposed as to embarrass industry less than taxes imposed upon imports.

"The British national debt commonly at d at four thousand millions of dullars, beber W. Johnston and C. B. Michell, from stated at four thousand millions of dollars, ATRADESA: GIBLANDS A. Henry and London C. only carries an interest of three per cent A debt of seventeen bundred millions, st seven per cent, would be qual in point of annual charge, to the British national debt and we are threatened with more than half of that in only eighteen months from this

HE FOLLOWING ARE VOLUNTA-Ry statements from printile of respect-bility and truth, in this vicinity, who have been greatly benefitted by his remed, ss; some of whom would evidently have been in their graves for now if to be diseases had not been streated ty br. Schen kin medicines:

Inserves ind hot teen arrested ty lr. Schen h's medicines:
 Case of Liver Complaint and Dyspersia of Ten Years Standing.
 I have been antifering for tea years past from Liver Complaint and Dyspersis. I heard of Dr. Schenet's coming out to Martin Koch's, and I thought I would go and see him, as my disease had increased in violence within the past two years, and I ha' been under treatment of severa doc ors, from whom I received no benefit. In the early part of June of this year I went to see Dr. Schenet, E 1ER." I have been taking this Puter mic Syrup, Sea Weed T wich and Mandrake Pute since then and I must say that I am greatly benefit do y their use; indeed, I might a'most sey that I am well. *ANNA M. SMITH, October* 31, 1361

October 31, 1361 I have been much benefitted by the use of Dr. Schenck's medicines. RUFUS PARNER, Poland, Ohio.

Oct. 31, 1861. Foldand, Ohio. Case of Birs. McConnell. I had been sflexed with Disease of the Lungs for tour or five years, when I heard of Dr. Schenck coming to Martin Koch's. Previous to this ume i had gives up all hope of ever getting well, but Mr. Koch, whom I knew to have been cured by Dr. Schenck, urged my husband until he provaised upon me to go and see the Doctor, who found both my lungs affected, the bronchial tubes were both disressed; when I breathed, they would ratile so that it could be heard distinctly.--it have now taken his mediouses for some time, at entirely recovered; I now find myself abso at entirely recovered; I now find myself abso to be defind in myself woulderfull: improved, sithough at entirely recovered; from Dr. Schenck's trea men., I would avise all persons estimilarly affected to apply to him when he makes his next visit. JANE McCNNRLis, Poland Township, Mahoning C., Ohio.

Certificate of Jane Grist. Certificate of Jane Grist. I have been troubled for about two years with a pain in my breast. Late in the Byring of the year i heard of Dr. Schenck coming out to Martin Koch's, and I determined to call and see him and get oramined with his **Respirometer**. I did see, and side three of his medicines, ac-cording fo directions, and I have been greatly benefitted. I hope, from the benefit already ex-perienced, that it will not be long until 1 am en-tirely well. Poland Township, Mahoning Co, Ohio. Oct 81, 1861.

Cet SI, 1861. Cure of firs. Warner. For about five years I had been affected with pain in the right side of my breast, and in hopes of medicines, but found no benefit from them whsterer. I then heard of D. Schenck, and the great cures he was performing with his in Piraburgh, Dr. Keyser for some of his medi-cine. Prev: us to taking it, I was so prostrated as to be un ble to undress myself, or even to lay in bed; I was obliged to sit up in a chairin order to ob-tion any rest at al. After having taken Dr. Schenck's medicines, I heard that the Doctor was coming to Martin Koch's, and I determined to see 1 m. I was aready so much improved by the use of the in the is distance of a mile from rey house. The i octor pronounced my onesase to to my house. The i octor pronounced my onesase to to
