Volunteer Killed.—Richard Morris, a private in the Eighteenth Pennsylvania regiment, Col. G. S. Hays, was accidentally killed the other day by the discharge of a musket in the hands of a comrade who was firing at the manual. A ball and two buckshot passed through his head.

Another Victim.—A dispatch was received in town this morning from a Buffalo banker, saying that the man Penn, alias Drenyart, arrested in our city five days ago, and now in jail, had swindled him out of \$135, and wishing to know if there was any way of securing the money. The Captain, when arrested, it will be remembered, said the swindling here was his first attempt, but unfortunately for him, information to the contrary is fast accumulating. The Buffalo folks are to have the next chance at him.—Cleveland Plaindealer.

Stromboli in the Field.—The Steamboat Herald, in its issue of the 14th inst., contains a report of a National Army at that point, and says: "Besides railroad and river connections with all parts of the country, a four-foot gauge could be built within the corporate limits of the city, and the coal requisite to drive the machinery brought into the furnace by the same power used to drive the mill. In other words, the Army could be both within the city and over the top of its formidable led of coal."

Consecration.—The new Church (formed) in Pleasant Unity will be consecrated on the 25th instant—Christmas day. The Rev. Prof. E. K. Loran, of Mt. Pleasant, will attend to the religious services, and the Dedication sermon will be by the Rev. George B. Russell, of this city.

Cavalry Going East.—Company I, 1st and 2nd of the Second Cavalry, with their horses, from Fort Leavenworth, will arrive here at nine o'clock this morning in charge of Captain John Green, of the Second Cavalry and proceed eastward during the day.

Fire in Greensburg.—On last Friday morning, fire broke out in the dwelling of Hiram Gibson, in Greensburg, which was nearly destroyed. The flames were extinguished. The damage done to the amount of \$1,000 and some \$300 worth of furniture was destroyed.

There are also several pieces of cannon, a few small arms in Philadelphia. The old arms continue to arrive daily and 10,000 more are now being shipped to Lancaster at the rate of 1500 per day of artillery and ammunition.
