I have been suffering for ten years past from
Liver Complaint and Dyspepsia. I heard of Dr.
Schenck's coming out to Martin Koch's, and I
shought I would go and see him, as my disease
had increased in violence within the past two years,
and I hay been under treatment of several docors,
from whom I received no benefit. In the early
wert of lune of this way I went to see Dr. Schenck. from whom I received no benefit. In the early part of June of this year I went to see Dr. Schenck, and was examined by him with his "RESPIROM-EFER." I have been taking his Primonte Syrup, Sou Weed Tonds and Mondrate Fills since them, and I must say that I am greatly benefited by their use; indeed, I might almost say that I am well.

Case of Mrs. McConnell.

I had been affected with Disease of the Lungs for four or five years, when I heard of Dr. Schenck coming to Martin Koch's. Previous to this time I had given up all hope of ever getting well, but Mr. Koch, whom I knew to have been cured by Dr. Schenck, urged my husband until he prevailed upon me to go and see the Doctor, who found both my lungs affected, the bronchial tabes were both diseased; when I breathed, they would ratit so that it could be heard distinctly. tables were both diseased; when i breathed, they would ratite so that it could be heard distinctly—I have now taken his medicines; for some time, and find myself wonderfully improved, although not entirely recovered; I now find myself able to attend to meet of my household duties, and have no denbt of my ultimate recovery. From the benefit I have received from Dr. Screnck's treatmen, I would advise all persons similarly affected to apply to him when he makes his next visit.

I have been troubled for about two years with a pain in my breast. Late in the Spring of this year I heard of Dr. Schenak coming out to Martin Koch's and I determined to call and see him, and get examined with his Hospiromater. I did so, and also took all three of his medicines, so-cording to directions, and I have been greatly benefitted. I hope, from the benefit already experienced, that it will not be long until I am entirely well.

Ourse of Mrs. Warner.

For about five years I had been affected with pain in the right side of my breast, and in hopes of gesting relies, I had taken many different kinds of medicines, but found no benefit from them whatever. I then heard of Dr. Schenerk, and the great cures he was performing with his treatment, and concluded to send to his Agent in Fif sburgh, Dr. Keyser for some of his medicine. Previous to taking it, I was so prostrated as to be un ble to undress myself, or even to lay in bed, I was obliged to sit up in a chair in order to obtain any rest at all. After having taken Dr. Schener's medicines, I heard that the Doctor was coming to Martif Koche, and I determined to see him. I was already so much improved by the use of his medicine, as to be able to go over to Mr. Koche's, which is a distance of a mile from my house. The treder promounced my disease to be Brensmial Comsumption and Liver Complaint, with an acase, on of the Pleura to the ribe. He had a brother who married and went to reside in Ceylon with his wife and two infant daughters. One of these daughters, in the course of years, was married to Mr. Seaton, a young merchant. He died leaving her a widow with a child-the murdered Ernest Seaton mentioned in the indict ment against the prisoner now on trial. The brother of Sir Ralph Heritage died at Ceylon, so after the death of his wife and the two daughters were alone, one a widow with her infant son-the other the prisoner at the bar. They communicated with their uncle, Sir Ralph Heritage, who sent them a kind invitation to come to him, intimating, at the same time, that he would make his grand-nephew Ernest Seaton, his heir. They came—the child, the mother and the young aunt. They reached Liverpool in the ship Alceste, and took a post chaise to Northamptonshire. The compelled to take refuge from the rag-
