LATEST BY TELEGRAPH. Last Night's News up to Two O'clock. Thirty-Seventh Congress.

SENATE, - Dec. 30 - Mr. Grimes, o wa, introduced a bill to acquire titles in the District of Columbia, Mr. Davis, introduced a bill declaring certain per ons alien enemies and for con-House - Dec. 30 .- Mr. Potter, of Wis reported the following resolution which

ras adopt d: f two, as announced, owing to thences-Pesolved That, the Secretary of the freasury be requested to furnish without unnecessary de'ay to the Select Committee structed to inquire into the alledged diryalty of the government employees, the formation asked for by the letter of the inst., addressed by the Chairman of e Committee to Secretary of Tressury. Mr. Potter. also reported resolution calsimilarly respord. He said that it was have this information in order to make

Mr. Wickliffe, of Ky, not caring to vote last the heads of the departments were requested to furnish lists of their respec-tive clerks, which they did; and the last request which the secretaries of the Treasmittee to have the information in order to

would have an opportunity to furnish the reason.

Mr Wickliffe said he did not feel him self called upon to defend the departments nathed, but he did not understand how far this House has the right to assume the executive powers of this government. If he understood the merits of the pending question, it was an inquiry why the heads of departments had not removed certain perdepartments had not removed certain per- Vixon. Being then informed that the

Mr. Oliver said the persons who had been charged with disloyalty ought to have though, so far as I could learn, the troops ALL PSICES, one charged with discovery bag at the camp at daylight and it was an exportantly of refuting the allegations, had left the camp at daylight and it was the control of the camp at daylight and it was which he had leorned incidentally had been then only a little after 8 o'clock, the negrots Mr. Wickliffe, resuming, said that if we have heads of departments who are not left, which was nearly everything exceptcompetent to judge of the qualifications or ling their arms. The encampment was only of their subordinates, we should large one, had been compared for many months, and restore them. We should aim months, and its fate tenants and evidently Mr. Mallory, of Ky., objected to the in-

oduction of the resolution, calling on the four ordinary tents, besides a quantity of ceretary of the interior for information Mr. Potter said the remarks of the genleman from Kentucky, Wickliffs, would heman from Kentucky, Wicking, would be proper if the question was on the appointment of the committee, but the committee has aire-dy been appointed. The very object of rending to the departments the tostimony affecting the disloyalty of chamber of chamb clerks was to afford an opportunity for Vixen, not tiking to trust the Pawnes in cierks was to short an opportunity for vixen, not fixing to trust the Fawnes in so narrow a channel, came to the Seneca, which had started at 9 o'clock to explore the feat on a and hank. ken t stimony and submitted it to the heads | fast on a sand bank. and show it. He would inform the gentle pull her off, owing to the ng t tide not man from Kentucky that there were to-day being as high as the morning one. While in the employment of the government five lying here, however, I sent the boats and hundred clerks who are disloyal to the burned a sloop which h d been iun ashore bundred clerks who are disloyal to the Union. There are also men in the departments who have never uttered one word of sympathy for the government, notwith, standing the peril which surrounds it.

The departments have not in this respect

Locest from Washington U. S. STEAMER PAWREE, PORT) ROYAL, Dec. 21, 1861 WASHINGTON CITY, Dec. 80.—Sir: In bedience to you orders of the 14th, inst, left the harbor at daylight of the 16th, ccompanied by the gun boat Seneca, Lieut commander Daniel Ammon and oast survey steamer Vixen, Captain C. O. Boutelle, but at the bar, found that the

heavy north eagler which was blowing ment to select suitable lands for bad raised such a see as to render t out of the question to stiempt entering the be relieved of the payment of the river, which I was directed to examine. I then returned to my anchorage which I left a recond time, however, on the fol-lowing morning and reached the North Edisto at two o'clock. Shortly after I crossed the bar with the Seneca, piloted in figuring their property for the benefit of loyal persons. Referred: The Senate vessel he, however, left when we were in side, for the Pawnee, his vessel remaining side, for the Pawnee, his vessel remaining sstern of us.

At this time we could plainly see fortiications shead on Edisto Island, distant a nile and a half; as it was reported to me hey were filled with mon. I commenced iring slowly from my bow guns, as dd the Seneca, but rece vior, no answer, toon ceased and running ty the batteries, anchored in the North Edisto river. On landing I found the fort, which was entiredeserted, to consist of two redoubts for ng on the Secretary of the Interior to tain and protected in the rear by a double ve guns each, connected by a long cursimilarly respord. He said that it was fence of thick plank with earth between necessary that the Select Committe should and loop-holed. The guns, as the negroes informed me, had all been removed toward Charleston some weeks back. While I Mr. Wickline, of My, not caring to vote thindly on this question, inquired what had proceeded up the river for about five was the character of the information calmites, the effect of which was immediately Mr. Potter explained, in July heads of the departments were outbuildings. As, during the night, some outbuildings. negroes came on board and informed us that at the small town of Rockville, which was in full eight, there was a large enury and Interior have not complied with the was to furnish the Committee with the name of such clerks mentioned in their first communication who have since been removed. It was possessary for the Comdaylight of the 17th, went on board of that ascertain whether the departments have boats and marines of the Pawnee and Sen vessels for the purpose, taking with me the ascertain whether the departments have comoved those who have been reported to them as disloyal, so far as the committee ould learn this fact from the evidence before them. If such persons have not been above which was a shoot laden with cotten and provisions, which I took possession of removed the departments by the call and provisions, which I took possession of would have an opportunity to furnish the and towed alongside. There being still no

camp, which was a mile from the water, was entirely deserted, I went there, but alwhem I found as bus; no boes, had removed the most valuable part of what had been been in the possession of every comfor. I removed to the best forty Sibley and articles of no part cular value, which were lying about, and found at a neighboring de9-6m daw

house, which seemed to have been used as the departments for their consideration until 9 o'clock, but found it impossible to We remained by her being as high as the morning one. While To hold Sixty Ords
