Pennsylvania has made great efforts to support to the Gov roment. She has given more and better clothed, and better equipped men than any other state, and has far exceeded her quots of the military levies. The sons of our beat direas, young men of education and means, fill the ranks of her volunteer regiments. Their conduct, whenever an opportunity has been afforded to them, has done nonor to the Commonwealth. The universal movement among eur people, signifies that they are loyal to the Government establised by their fathers, and are determined to quell the present insurrection and preserve the Union, and that they will not tolerate any plan for either the dissolution or re-construction of it.
