CITY MATTERS.

In the case of Nelson Henry vs David Milne and others, the jury found for the defendants. Motion for a new trial, and ressons filed. Thomas Fawcett vs Abraham Hays owner of the steamboat Jacob Painter. Action to recover the value of a coal boat and contents, sunk in the river, while be

FIRE -Samuel O. Turk's residence, a arge two story frame in Brady township. Butler county, was destroyed by fire last week. The loss on building and furniture

ing towed from one point to another. O:

TAILORING MADE EASY .- We yesterday examined one of the simplest and most efficient instruments were have ever seen, designed to divest the operation of cutting out pantaloons of its mystery and It consists of two parts, one for outling the back the other the front part of the leg of a pair of pants. The instruments are of sawed wood, with proper curves and so arranged by springs and movable pross pleces that they can be "set" in a very few for those who have died in the Alexandria carried to measure" and the proper curves and so arranged by springs and movable pross pleces that they can be "set" in a very few for those who have died in the Alexandria carry start." soonds. A "hip" and "leg measure" are hospital and vicinity. taken with a tailor's tape line, the guide regulated to the number of inches indicated by the measurement, then laid on the cloth to cut by. The machine is made with mathematical exactness and can be relied upon for the purpose intended. It is the invention of James Ramsey, a tailor of this city, perfected by Mr. A. B. Smith, of Clinton, this county, and the two have taken out a patent. Mr. Smith has rights for sate. He can be seen at Miller & Richteson's covers. Were and libert

A. H. Rowand, the inventor of the new and improved Railroad Oar Buffer, offers auperior inducements to parties desirous of purchasing State rights for his invention. He sails the exclusive right to negotiate sales in States selected by them, requiring payment out of actual sales, and not other wise. Testimonials from the officers of roads having tested the invention, estabish his Buffer as the instrument heretofore needed by railroad companies, if for no other than motives of economy; whilst to the public its superior advantage is that it lessens the danger of travel, it being the only Buffer or spring capable of resisting TARGE CLEAR TYPE.

IT CONTAINS ALL WHE

EXCITING NEWS OF THE DAY!

Only Buffer or spring capable of resisting the powerful concussion of collisions, whilst it entirely relieves the passenger from the constant jerks and jars in the ordinary stopping and starting of trains. Companies and individuals can have an opportunity of realizing handsome profits in the purchase of State rights. Remember, payments are only required when sales are actually made to railroad companies.

Case of Mrs. McConnel

Cci. 31, 1861.

Certificate of Jame Grist.

I have been troubled for about two years with a pain in my breast. Late in the Spring of this year i heard of Dr. Schenck coming out to Martin Koch's, and I determined to call and see him, and get examined with his Respirometer. I did so, and also took all three of his medicines, according to directions, and I have been greatly benefitsed. I hope, from the benefit already experienced, that it will not be long until I am entirely well.

Pulnad Townshin Mahonings Co, Ohio.

Poland Township, Mah. dled, and, but for his word, he would have risked his life in the attempt to recover his bridg. No man becomes so recklessly brave as a man of a delicate, sensitive, cowardly nature, stung to madness, or turned to bay in despair.

In every town of Kentucky there is a set of gentlemanly loafers, who in pleasant weather sit on chairs a-tilt at the street corners under the trees, morning round with the shadow the whole day. When it is cool they congregate his better the street corners under the congregate his words. After having taken Dr. Schenck's medicines, it and in hopes of getting relief, I had taken many different kinds of medicines, but found no benefit from them have performing; with his treatment, and concluded to send to his Agent in Pittsburgh, Dr. Keyser for seme of his medicines, and to be unable to undress myself, or even to flay in common to make the Dr. Schenck's medicines, it was so prostrated as to be unable to undress myself, or even to flay in common to make the Dr. Schenck's medicines, it and in hopes of getting relief, I had taken many different kinds the great cures he was performing; with his treatment, and concluded to send to his Agent in Pittsburgh, Dr. Keyser for seme of his medicines, and I was so prostrated as to be unable to undress myself, or even to flay in conclude to send to his Agent in the great cures he was performing; with his treatment, and concluded to send to his Agent in Pittsburgh, Dr. Keyser for seme of his Agent in the great cures he was performing; with his discussion to benefit from thems whether it is an in the great cure he heard of Dr. Schenck's and in the great cure he heard of Dr. Schenck's many relief, I had taken many different kinds of medicines, but found in themse heard of Dr. Schenck's and in the part is the part in the great cure he heard of Dr. Schenck's and in the part is the part in the part is the great cure he heard of Dr. Schenck's many relief, I had taken many different kinds of my beast and in hopes of gotting relief, I had taken many different ki day When it is cool they congregate in lawyers offices, groceries, bar-rooms, the clerk's office, or wherever their company is welcome. Quids of tobacco, and home made cigars, are their conditional conditions of the properties of the o co, and home made cigars, are their solace, whittling cedar sticks is their solace, whittling cedar sticks is their to say that I am nearly well.
