THE IRISH AND THE WAR. Speaking of the Irish, in connection with the present war, the Cincinnati Telegraph, a Catholic paper, considers the question as follows :

"In political questions our object should be to fam the side which will act most an earlier day than most people anticipate." visorously against English influence. In the Union we were secure against her in.

Virginia. The Rockingham (va) Register, of a late date, growls tarribly about the draft, and says of the sidnous policy, but so soon as a dissolution of the Union is threatened, we see her interfering "togain' some advantage by her ipeqple: usual treathery." We have even accing a will not submit to a draft. Once they Boutherguranner to a submit to a draft. Once they

usual treatments, we have seven she in in the source of th The Register, all damba, as both are tyrants." The Register, all uting to the Union men, says: "That we have iwe memics, and a good many such in the border counties of Landon," Jefferson, Barkeley, Morgan, as a Hampshire is well known, and we tolnk event, where would be the Irish citizend particularly the Irish Catholic? Again and particularly the ITISH CHLIGHT Again in the border counties of Lemon, adgrees, Mordan, a d Hampshire is well known, and we taink had hoped the breadth of the Atlantic had oried shot, or hanged, the better for us. They conton for 1864? Some have advised and agreed that no cotton be planted unless the blockade and

brave soldiers, all knew that fighting against rebellion in the South was in re-ality fighting against England. Bussell, the correspondent of the London Times, says that he was told by a Southerner that they intended to shut down on naturaliza tion, and keep the Irishmen without any legal rights. an alien forever. gal rights an alien forever. "The Irish Gatholic cannot be wrong, bilet opposing Bristand and donosing The horses belonged to the Con-

whilst opposing England. and opposing federate States, and the loss, it is said, was very happlest government on earth, in order to make an alliance with her."

A Washington correspondent Ston. A Washington correspondent writes that the Ab-olition agitators in that city eagerly hug the be-liefthat they are going to make a ten strike in the lecture to be delivered this evening at the Smith sonian, by the so-called Rev. Monsieure D Conway formerly a preacher of this city, but now of Cincin nati, Ohio. Mr. Conway is a man of genius and parts, but into un judgment, at least, should leave the profession of religions teacher. One of the causes of the low morals of our age, of the shame-less abuse of public trust, of the base frauds upon

them up and give them a crack with the whip, the National Treasury, and of the lamentably large saying; "G-g-git up, d-d-damn you!" The per contage of popular unfaithfulness to the best aystem of civil and religious liberty upon earth; is undoubtedly to be found in the infidelity of reli

for ?"

destruction of their property. Should such dr-mons be nuried any longer in our midst ?' planted. We have expressed an opinion, as a hint and s The Register also furnishes the particulars of a basis, that each planter should give one-fourthfire which recently occurred in Blaunton. The and no more; and if preferable, one-fifth of the Robe one, the burning horses, in their agony, rush ng wildly from the stable in which thay had area of his last crop. What do the planters say i Gen. Floyd.

A Poser

Gen. Floyd's brief stay in Nashville of course atracted much attention. Every one was anxious to see the warrior of Western Virginia. To those f our readers who had not their curiosity satisfied it may be interesting to know that few men sustain their character for soldiership in personal address so largely as Gen. Floyd. He looks the hero from

Biding one day on the outside of the stage coach, interior of Minnesota, last summer, the driver, a funny little fellow, /told the fellowing Bo largely as Gen. Floyd. He looks the hero from head to foot. The Sequal of an Execution in the

arver, a tunny little fellow, told the fellowing story: Bill, one of the drivers on our line, was coming out of Rochester che moraing early this spring. The weather was cold and fro ty, the roads were bad, and the horses would not work well together. On the seat beside him was a clerical gentieman. Now, Bill swore sometimes, and stutter d as well, when things went wrong, as did the horses this morning. Bill would hold Rebel Army. There is in the confederate army, near Centreville, an Irish company, called the "Tigers," which was recruited or rather impressed, from the Irish population of New Orleans. Two of them were recently shot for some triffing offence, some disreas did the horses this morning. Bill would hold spect to their "chivairous" officers, construed into mutinous resistence. An account of the execution has been published from the Richmond papers. An Irish private soldier is, in the eye of the southsaying: "G g git up, d-d----damn you " I he clergyman. after a repetition of Bill's profanity, again appealed: "Be patient, be patient. Job was But the sequal to the execution is told in a latter but the sequal to the execution is told in a latter

from the rebel camp, which appears in the Nash-ville Louisville Courier, thus: and said: "J-J Job! Who-wh-who did te d-d-drive THE METHODIST CRUECE SOUTH .-- The papers of

Mr. Smithson, the spy baker recently arressed as the 7th Lonislana regiment were found with their Washington, show that the "Methodist Ohnroh, threats cut. They were the officers of the day, and officers of the guard at the time of the com secession, which it has furnished with a large number of officers of different grades. It appears mission of the outrage by the 'Tigers,' and were

instrumental in bringing them to punishment.-It would be well could the whole company be of faced for this new and most horrible villainy." that they had hopes that theirs was to be the "established church" of the rebel States, and that even now thousands of honest Methodists in Thousands of Irishmen were forced into the rebel ranks in the summuer, and it is probable enough the share no good will to the cause. But if they manifest any reinctance, the masters under the name of officers will have no remorse in "ef-
