JAMES P. BARR. BDITORAND PROPRIETOR MONDAY MORNING, FEB. 3. ONTY MATTERS

The Explosion of the Advance.

The Explosion of the Advance, The tow-boat Hornet, despatched on Thursday to bring up the wounded by the explosion of the tow-boat Advance, sr-rived here on Saturday night, bringing the wounded and the empty barges. The explosi: n occurred about eleven o'clock on Tuesday night, at Matamoras. 165 miles balow this city. The Hornet leit here at two o'clock on Thursday alternoon +nd, MISS CHARLOTTE THOMPSON .- This

below this city. The Hornet left here at two o'clock on Thursday afternoon and, after a very quick trip, reached the scene of the disaster before ten o'clock on Thursday aster before ten o'clock on Thurss day night. On the arrival of the Hornet everything

possible was done to make the wounded as son as Armand. She is young, hands me comfortable as possible. Their wounds had been dressed by a physician residing near the scene of the accident, who kindly and talented, and will, no doubt, make a accompanied them on their return, to minister to their necessities, and did all in ors," Maffitt as Smart. his power to relieve them. We learn that the first engineer, known

as "Dutch Mike," was on watch at the time of the explosion, and was about 10 change off with the second, Wm. King .change off with the second, wm. Aing.-He had gone out to oil the shaft, first throttling the engine, and had scarcely reached the wheel when the explosion took place. He escaped without the slight est injury, the force of the explosion being One of the boilers was turned aarly inside out; a large plece was thrown three hundred yards into an apple crchard

and another piece into the river; the other boiler was uninjured. King, the second GOVERNMENT PROPERTY AT AUCTION. - Our readers, especially carpenters, hard wars dealers and others, should not forget engineer, was pretty soverely burned about the face and hands. The Captain was not on board, one of the pilots, named Stewart, being acting Captain; he escaped with a severe burn on the right hand. The other pliot, N. Klinefelter, was asleep, his head and one arm lying over the edge of the bed. His face and arm were terribly

scalded and it is believed that he inhaled steam. He died of his injuries on Friday two freight trains had collided on the morning, some hours after the arrival of day night, killing several persons, includ-the Hornet, after being removed to that boat. The mate, whose name we are una-ble to give, was also asleep in his berth.— The explosion carried him un through the ion carried him up through the hurricane roof and on coming down he lit with his feet on the sound boiler and, of the report. being stunned, remained there, perhaps a minute, until his feet were literally roast-LEST CHILDREN .- Two children of Mr ole, residing on O'Hara street, between Liberty and Penn, strayed from home yes his hands were also badly burned in

terday, and has not since been seen. One getting down The cooks, a colored man and his assistis a boy four years old, who wore green at ne coose, a colored man and nts ass'st-ant, a colored boy, were sleeping in the same berth. The boy escaped, but the man could not extricate himself, and was burned up with the boat. One of the pants and body; the other a girl six years old.

THE teachers of the Sixth and Eighth ward public schools should take som fromen is also missing, and is supposed to bave obser blown overboard and drowned. Every one on the boat, except the first ures to stop the daily fights between 088 the scholars, or the polica will be compell ed to interfere, which might be disagrees

er, was more or less injured. In ble to parents Their constant, quarrels ddition to these named, two deckhands, have become a serious nuisance. named Irwin, and a third named Oralg were scalded, one of the former badly. Two others were slightly scalded, but THE Surveyor of the Po t, Capt. C. W Batchelor, recently seized a quantity of goods, belonging to parties in Wheeling, suspected of secession proclivities, which he says will be forwarded as soon as the managed to start home the morning after the accident

The fragments of the wreck were gathe The tragments of the wreck were gather ered up, the barges secured, and the wounded, with the body of Klinefelter, placed on board the Hornet, which started for this port again on Friday, reaching here on Saturday night, as stated. Mes sengers were sent aband to inform the friends of the wounded, along the river, that they might be ready to take charge of that they might be ready to take charge of
