God incarnate, or an the Superintendent had already declared he would not allow me to perform any religious rite, I had to leave without gritifying 'he wish of the young woman, or performing the duties for which I had one will or two? Am I to tell them he is distinct bren sent twihe parents. As such galls may be made at any time by the parents of children at the al y distinci, but substantially one with the Father Refuge, I would wish to know how to treat them awer to the following question: "Shall i wher cull Him who is the first! with an almost endless list ed upon, as in the case referred to, be allowed to administer at the Refuge to any of the Casholia in ed. Are these statements true or fase ! Your mates the rites of the Church, including, as a ne readers had a right to expect from Mr. Logan at cestary part thereof, the herring of confession in

such a way that the secrecy desired by the pant tent shall be respected." In conclusion, I need scarcely observe that there are many others besides myself interested in the answer which your Committee shal. make. he question is one which can be answered by a
