PITTSBURGH POST

FRIDAY, FEBRUARY 7, 1862.

A DESPAIRING WAIL. Howell Cobb. Robert Toombs, Thoma Cobb, and a Mr. Crawford, members of the Confederate government from stor from New Hampshire (Mr. Clark) has re-Georgia, have issued an address to their stituents, which exhibits an amount of despair, which contrasts strangely with their heretofore confident and boastful predictions of early independ ence. By this document, the evident intention is to make the Southern people united in their efforts to throw of the authority of our government. This will be considered somewhat strange, after nine months of rampant rebellion. loud and boasting predictions, and the oft-repeated assurances of the Southern people being already united in their efforts for self government. So, the people of Georgia, one of the invincible from the sacred presence. But now that disloyal Guil States, even at this late day, are not ty, in the acknowledged name of a distant traitor of the constitution. united in the cause of rebellion. This and insists upon sitting at our altar, surely there is an important admission, made in the bound be an indignant chastisement as switted must do it without the intervention of a manner it has been, by men high in the angelic horseman that moves immortal in the reporter who writes for what he can make under the passing of Raffixelle. In vain do you seek to interest out of it, and who turns his sale as the wind passing and it is but the truth, poss considerations of lenty or forbearance. The blows. Indeed this legislature is vasily different not only in relation to Georgia, but as ease does not allow them. I know well the beauty regards every other Southern State, not and the greatness of charity. For the Senator I and the greatness of charity. even excepting South Carolina. It cannot be but there is a powerful Union sentiment in the South; it may be quiet now, kept down by dread of usurpation end confiscation, but after the day of its deliverance arrives, it will arise, shake off its lethargy, and receive its your souts that He who has taught us the beaut deliverers with shouts of welcome. -This gallant people, prostrate at the feet of a bloody usurpation, will find an early opportunity to bring the usurpers of their peace and property to a terrible James P. Barr.

Rittor Pittsburgh Post: retribution. Patience, energy and una - ze so nimity among the people of the North; entire confidence in the patriotism and

nent restoration of the Union are sure. We are pleased to see our cotemporary, the Gazette, taking a sensible view of the rebel publication alluded to. Commenting upon, it says: "However much we may fret over the slowness of our movements, and the inactivity of our armies, it is very evident | Institution is founded and maintained." that the rebels are trembling in view of the awful overthrow which awaits them

and unprevailing complaints by Con-

when spring opens, and the roads become passable. They are in dreadful are at last convinced will be put forth to against the intolerant, sectarian action crush them. No better evidence of their of Mr. John T. Logan and his associates, alarm could be presented than in their and demand that the flagrant wrong own language, and the desperate steps they advise their people to take."

of the Abolition press generally. The their charge, and, exercisi There is here no despairing of our cause of putting arms in the hands of slaves, while we have in the field over six hundred thousand soldiers, anxious to complete the undertaking for which they enable the crushing of rebellion. And what is better still, there is not in this paragraph from the Games, any of that suppercillions twild in all of the confidence of religion in the house there should be differences of religion in the house hold, would the Presbyterian fathers be justified in refusing his child leave to confer in private with the Episcopalians of Baptist, or Roman Catholic clergyman.

Where ministrations here were good, b.d. and indifferent and at the house of the house of the house in direct opposition to the Sense "resolve," and spoke at length; the speech ings the family practice Christian virtue?

And if through any cause there should be differences of religion in the house hold, would the Presbyterian fathers be justified in refusing his child leave to confer in private with the Episcopalians of Baptist, or Roman Catholic clergyman.
