PITISBURGH POST.

JAMES P. BARR, EDITORAND PROPRIETO WEDNESDAY MORNING, FEB. 12. CITY MATTERS.

Pire in Allegheny City. On Tuesday morning, about one o'clock, fire was discovered in the back part of the grocery and liquor store of Messrs. Drennan & Reismeyer, corner of Ohio and Middle streets, Allegheny. The building was a two story frame, and the fiames spread so rapidly that nothing whatever was saved. The stock was partially inwas saved. The stock was partially in-sured—there being a policy of \$1,000 in the Girard Insurance Company. The building belonged to Mr. John Benson, and was not insured. The flames then communicated to the grocery of Messrs. John Moon & Co., adjoining, but most of the stock had been removed. The building, also a two story frame, belonged to Mr. Moon, and was left in ruins. He estimater his loss at \$1,500, and has an insurance of \$1,200 in the Girard. A family ance of \$1,200 in the Girard. A family named Irwin, residing in the upper part of Moon's building, lost nearly everything they possessed. Another frame building, occupied by several poor families, and adjoining that of Mr. Moon, was entirely destroyed, together with nearly all the household furniture. The house belonged to a German named Charles Bapst, and was insured. There was no insurance on was insured. There was no insurance on the furniture The fire originated from the furnished the first of Drennan & stove in the back pack part of Drennan & Rsismeger's store. The only engine on the ground was the Neptune, with the Columbia and America hose carriages; both did good service in confining the flames.

THE NORTHERN CENTRAL RAILBOAD. During the past week. two new first class engines from the works of the Messrs. Baldwin, Philadelphia, were placed upon the above road. They are the first of a contract for nine engines of like make by the company with the above firm. Two new passenger cars, made by the Harrisa burg car company were also placed upon the road. Under the excellent supervisa ion of Mr. Dubarry, formerly connected with the Chicago and Fort Wayne road, a man of vast experience in railroad matters, the Northern Central bids fair to rival any road in the country for effective management. The company has been very fortunate in securing the aid of such an energetic and able officer.

ANOTHER RECEIVER ARRESTED .-- On Tuesday morning a man named Baptiste Myers was arrested by the Mayor's police, The detect on of Myers resulted from the confession of the boys arrested last week, who acknowledged having stolen the goods and sold them to Myers. He was held to bail for his appearance to answer at ten o'clock next Tuesday morning.

PROF. O'LEARY'S LECTURE ON MARY RIAGE.—Concert Hall was crowded last night to hear Prof. J. O'Leary's lecture on Physiognomy. It was one of his most amusing and interesting lectures, displaying a thorough knowledge of human character. He hit off in capital style the deceits and hypocrisies that man owe modern civilization, causing many a smile o steal over the faces of his audie The lecture to-night will be on Marriage and Divorce or the relations that do exist or should exist between man and women. and who should and who should not

THEFT AT A BOARDING HOUSE, -On Monday night a number of boarders at No. 151 Third street were relieved of all their spare change, as is supposed by a young man calling himself Edwards, who had been stopping there a few days and disappeared on Tuesday morning. The trunks of the boarders were broken open, their pockets ransacked and robbed. Jas. Rasly, architect, lost a sum of money and a \$35 watch. A Ray, printer at the Chronicle office, lost \$10 in money. Albert M. Johnston, book-keeper at Lyons & Jones, Wood street, lost a sum of mony and a gold watch, and a Mr. Boyne, of Washington, D. TERRIBLE ACCIDENT .- On last Friday evening, as several men were engaged taking down a rock which apparently was loose in the top of the mines of the Short Mountain Coal Company, near Lykenstown, Dauphin county, a large rock, about fifteen yards long, suddenly fell, instantly killing John McCaw, and severely injurating four there. ing four or five others. One man by the name of Robinson had his arm crushed to a jelly; another, named Myers, had his boot out entirely off his foot. McCawwas on his way home, and as he passed the fa-tal spot he volunteered assistance, and had scarcely commenced work when the rock fell upon him.

Another Pittsburgher Gove. Wm. Walker, of the 6th Ward, died on Monday at Camp Graham. The telegraph an-nounced that his body would arrive here on Wednesday morning at one o'clock.— The deceased served with the three months' volunteers in Virginia, under Col. The Park Zouaver, First Ward Allegheny Riffes, and other military companies and squads are invited to attend the funeral, of which due notice will Le given.

FOUL PLAY SUSPECTED -We have already noticed the death of a soldier named Heraberger, who was killed on the rail-road near Harrisburgh last week. It is said that his death was the result of foul play. A short time before he was killed to was seen in company with another soldier, or with a person wearing soldier's clothes, and exhibited some seventeen dollars in money; but upon being picked up after the cars had passed over him but five cents were found in his pockets.

EDITH AND ZELDIA -The drama of Chariswood," was produced for the second time at the Theatre last evening to a good audience, despite the weather. Miss Thomp-son personated the two sisters most admirably, sustaining the double characters so as to thoroughly deceive the audience. The play is a fine one and was loudly applanded by all present. The piece will be repeated this evening, with the same cast, when we hope to see the house filled.
