A Slight Cold, Gaugh, Haarsenese GRONCHIAL or Sare Threat, ROCHES which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Baugh or Flight Bald in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Brown's Branchial Traches were first introduced eleven years ago. It has been proved that they are the best article before the public for Boughs, Balds, Branchitis, Asthma, Batarth, the Badang Cough in Bansumption, and numerous affections of the Threat, giving immediate relief.
