Cave Johnson, at their rcq test I have is-sued a proclamation, assuring all the peace-ably disposed persons that they may, with sately assume their business avocations, requiring only the military stores and equipments to be given up, and holding the military subscrities responsible that this shall be done without reservation. I left Fort Donelson yesterday with the Conserbga, Lieut. Commanding Phelps and the Cairo, Lieut. Commanding Pre-iant, on a reconnoissance, bringing with

taining explosive matter. An attempt A. H. Foork, was subsequently made to produce an explosion by pulling the wires, which failed

The wires were then cut and the outer buoy was brought off in one of the expeon the Western Waters. Gen. Grant's Official Report ition's boats. In consequence of the delica's nature of the exploding apparatus of the buoy brought on board, it was deemed of the Battle of Fort Donelson --- His Congratulatiory more prudent to endeavor to sink the re maining buoys, rather than attempt to re-
