"On the occasion of the ceremony by which Black Hawk was shorn of his power, and which took place on Rock. Island in the Mississippi, I shook the hand of the great Chief, who appeared highly pleased to meet me once more, and upon parting with me he said with mournful dignity, as he cast about him' a glance of secoming regret: "My children think I am too old to lead them sny more." "This was the last time I ever saw him, and the next T learned of him was that he had left his old hunting- grounds forever, and his spirit had gone to that bar where the balance will be rightly adjusted between the shet bis of the forest and the part of the states is that he had her here the balance will be rightly adjusted between the shet bis of the forest and the spirit had gone to that bar where the balance will be rightly adjusted between the shet bis of the forest and the spirit had gone to that bar where the balance will be rightly adjusted between the shet bis of the forest and the spirit had brethern."
