HOW NED SMITH WON HIS MEDAL BY TELEGRAPH

By Yesterday's Telegram. LATE FROM NEW MEXICO.

GRBAT BATTLE AT FORT CRAIG. TERRIBLE LOSS ON BOTH SIDES

St. Louis, March 12 -The Republican has advices from A buqurq 19, New Mexi- When he opened his eyes, Ned held out co, dated February 231, which states tic his hand, and says her Texans have made various significant "Give you joy, comrada, Ay, I see movements in the vicinity of Fort Craig. On the 18th they advanced a column of next turn we have, particularly when infaniry, one thousand strong, in line of battle, in front of the firt. They also moved a column of eighteen hundred care alry to the west of the detenses. They wilvanced within a mile and a half of in works, and halted with a rebel flag flast ing in the breeze. They remained rome time, when they commenced a retrogade movement.

During the time of the aivance Colonel Canby prudently concealed the greater airy. Colonel Canby ordered Major Descan to charge on the cavalty of the ending can to enarge on the cavalry of the endiny Gascongne. Has no one written to my with a squad of dragoous and mounted men modifice?" which they did in gallant style, the chamy retreating before them dutility y arrival did not know where she lived?" The Texas infantry in the meantime

advanced to the relief of the cavairy, and a skirmish took place at the ravine Mojer bundan late to the overland was recalled bimself about his shipmates, only three Duncan, late in the evening, was recalled, and the Texaus continued to full back It is reported that the Texa's had eight pieces of artillary pieced in a batteri masked in the ravine out a short distance below where the skirmten took piace On the 19sh and 20th the Texats crosses o the east bank of the Bo Grande, of order, it is supposed, to this a places on the neights opposite Fait Craig. Call Canby crossed and pureuod them, it is when the Texaus, on he heights fired some fifty cannon short without demage to surfurces. Cir Carby fired but two about

desming it imprudent to was a minutedred Texan mules were expurred, with their wagon master. The Texass are 82,500 02 high lands, destitute of water Co. Ca. o 7,621 62 has the pass to the water and do by battery and two thousand miantry, and all the other outlets granded in force.

The Texans must either figh, desportably ing of the 21st, the booming of came in the parsuage lawn into the was heard in the direction of Valverede, announcing that a battle had begun. LATER - The military express has inst arrived from Fort Craig, with the news (1) serious conflicts between our forces and the Texaus, which issted from 9 o'clerks a. m, of the 21st, until sundown of ar

day. The fight comminced in the morning between a portion of curtice ja, well . Roberts, and the enemy set lio Grande, with varied success, untir two o'clock that day. Canon crossed the river in force with a batter six pieces, under Capt McCray, of un

savatry, but detailed in command the battery of two howitzers. The enemy are supposed to have had seven or eight pieces he battle commenced by the artillery and kirmishers and soon became general -Towards evening most of the enemy's gun's were silenced. They, however, made a desperate charge on the howitzer battery but were repulsed with great less. Capt McRay's battery was defended by Capta McRay's battery was defended by Captain Plympton's company of U.S. Infanti and a portion of Col. Pine's r gament of ed going to make a speech; but she had New Mexican volunteers. The Texan only just begun her thanks when her charged desperately and furiously, with picked men, about 600 strong. They were armed with carbines, revolvers and ong seven pound Bowie knives Atter

disensigning their carbines, at close distance, they drew their revolvers, and great rough hand as if it had been reached the battery in a storm of grape baby's face. Ned seemed struck all of regiment were panic struck, and ingleri-ously fled. Capt. Plympton and the in-fantry stood their ground and fought inbly, til more than one half were number. her beautiful lips had touched. With his artillerymen cut down, his

support killed, wounded or fijing from the for herself, the parson up and told us field, Capt. Mckay sat down, calmly sud all the sense of it. How that there on one of his guns, and with revolver hand, refusing to fly or desert his post, he fought to the last, and gloriously died a hero, the last man by his guns. The Texans suffered to ribly in their Many officers distinguished themsuive

this day. Mel. Donaldson, who was Chier Aid of Col. Canby, sete t bravery and was conspicuous on every part of he field. His horse was wounded in veyeral, page, but the Mejor was not injured. Kit Carson, in command of regiment of sure enough, was a beautiful medal wolunteers who were deployed as skirmline with Ned's name, and the name of the ers, did good service during the action and man saved, and some Latin words. we have, however, to name the loss of

Lieutenants Michier and Sione, who, like Bapt McBay, nobly and, brayely, maintained the honor of the national flag to the last, and gloriously died the death of patrioss. Many other officers were also wounded. Our loss is about 200 killed and wounded: that of the enemy is believed to be much

The greatest confidence is remosed in Col. Canby, and if the trans will do their duty, the Texans will be Ignominously driven from the country.

SELECTOPALE

A STORY OF THE COUNTSH WRECKERS, [Concluded.]

"Well he went on in that strange way nigh on three weeks; and we did not so much as know the name of the sick man. Just as Med was going about again all well, and we thought the sight of him might bring the sailor to his recollections: So Wed went and eat by the bedside till he awoke. It was getting to be near Christmas, and he wanted the poor man sto be well enough to enjoy the time with us.

'tis grass we stand on." "With that the team came into hi poor, dim eyes, and catching Ned's hand, he said: "I remember now. Were none saved but me?" Ned was fearful to tell the truth.

case it might make him worse, so h just laughed and said: "You've been so long sleeping of the effects of your wetting, that they've gove and left you. But 'tis time we knew your name, stranger, if it please you to tell " "Grac-igne," he said-" Richard

"How could we," says Ned, "as we

"With that he got up to come away of whose bodies were ever found. "He'd just got to the door when the poor man wanted him to come back, but before he could turn about the parson came into the room, and Ned got away

"We never knew the particulars for sertain, but always believe, to this day, the young man was no common sailor. "The parson used to come and sil with him hours together, and a fine-lot of letters they wrote between them. On the morning of the 21st two hate-But we were never the wiser for wand here for many's long day, "The Christmas day we were all standing about the church deor, shaking hands, and wishing each other a NO. 73 GRANT STREE merry Christmas and a happy No. PINTSBURGH PRNNA When the Express closed on the manner. Year, when the little gate that led

among us, so beautifully dressed and so beautiful herself that we all stopped talking to look at her. "I'm before my story, though, for I should have told you the stranger had gone to the parsonage as soon as

he could be moved. "Well the lady came forward the midst of the crowd, and she said: "Which of you brave men is Ed-ward Smeeth?"

"Ned was just behind me, and seemed ready to slink away, but I pushed him fore, and said I: "If it please your ladyship, that's

"Well, Ned knowed manners to well to run away then, so there he stood, blushing like a girl.

ed going to make a speech; but she had heart rose in her throat, and the tears stood in her eyes, and she only said, God bless you! and put a little box into Ned's hand, and then kissed his a heap. He looked at the things she had given him, and turned his hands as if he expected to see a mark where

"Well, as the lady could not speak for herself, the parson up and told us was a grand place upto London, with a great many grand people, who subscribed among them to reward them that saved life. "And proud," says the parson, proud am that such a token has come into

my parish.' He said many kind and good words and then told Ned to open the little box and show what was in it. There, which the parson said was that we should never give up trying to save life, for perhaps a little spark of hope might yet remain, though all seemed gone "Ah! here comes Ned, he'll

proud to show your honor the medal." So we walked into Ned's cottage hard by, and were delighted to find that, though seven language he i pussed fair young wife, and laid her, with her new born babe, in an early tomb-his dark eyes would brighten, and his fine form looked taller, as he exhibited hat well carned medal from the
