MISORLLANEOUS. W. Curtis, while an inmate of Fort ET accounts of the deadly artillery practice BY TELEGRAPH. tice, the istrepid daring of the sail-

the birth of their best, if not their purest of caints from his early teachings, main constianity re-vered by all. It is then but meet and proper that By Yesterday's Telegram. it should be held and estermed as a day dedica-ted to the memory of St. Patrick. Let us, as is the General Burnside's Official

enston, drown the shemrock in a flowing bumper of pure "Poteen," to the immerial memory of the Repert tutelar Sa ni of the Emerald 1-le. He who gave

Repert WASHINGTON, March 19 - Gon, Borns side, in his official report, regist-I must defer, for want of time, a dataled account of the section I is a rough to sey that, after an engagement of four hears, we succeided in carrying a centinuous line of field works of over a milin in length, pro-tected on the river flank by a battery of think by a line of redoubts, of over a half mile in longth, for riflemen and field the snekes a free pass out of Ireland; long may his mamory he hald in the brightest recollection and reversed by every lover of that sod, which has produced the most excited on effects, the most eloquent champions of American liberty, and men of undanted bravery, which has never been sur-passed in any age or in any country in the world.

Judge Shana n presented a petition from G.r. called upon the Adjutant General mile in longth, for riflemen and field pieces, in the midst of swamps and dense Robiason, Mayor Drum, ex Mayor Mint.son and at the State House, and announce others, in opposition to the Ast to repeat the law crests, which line of works was detended the fact of his being alive. He had by eight regiments of infaniry, five hun- just returned from Richmond. His allowing the publication of Sheriff's soles, So., in the Iron Cuy, or papers West of the Alloghany dret cavalry, of six guns each. The position was finally carried by a wife had drawn his pay up so the river. This, I take it, sacuid by conclusive of this sulject ; the petty cormoranis who demand time of his reported death, and on most gallant charge of our man, which anabled us to gain the rear of the batteries this change have had a wet blandet put over them his way home, not being aware of The fact is it is pairy to try to chest a feilow between this point and Newberr, which the state of the case he had drawn was done by the ray id edvances of the on- his pay for live soldier. So he has craftsman out of a few dollars to reward those over rich In truth, Judge Shennen is entated to high consideration for thus marking his sitention to the thus far made a good thing of it

ire force up the main read and railroad. The naral fleet was pushing it way up and being in good condition, bids fair to "live to fight another day." people of a legheny city. S'r. Williams and Dr. Gross both presented petitlens for the inspection the river, throwing their shot into the interiment of us, the eneny retreating of oil snil whishey in your county. It is full time this bill should be acted on and passed. The great confusion, throwing away blank ets, knopszeks, arins, etc., across the rail cousty requires all the resenuait can place, p rossi bridge and country road bridge. They burned the former and destroye At twenty years of age the will eigne; at thirty the wit, and at
