Temessee Town Returned to its Alegiance—Postal Matters in the South.

Mashington. March 20.—The citizens of Galatin. Tenn., a town which had been decidedly disloyal, met in town meeting recently, and were addressed by Beylie Peyton. Esq., a loyal man, and voted to top-cition for a Postofilee, and then expressed a willingness to return to their alleginance. A postofilee will be established there in a few days, according to their petition.

John Sellget has been appointed Post master at Mashville. He wrote some of the best articles against secession during the agitation of that subject in Tennesse between the south of the best articles against secession during the agitation of the the station of the mails, and a few days according to their petition.

Lyna and the stablishment of the mails, and a willingness among the results to the source of the sufferes of blant measured the stablishment of the mails, and a willingness arong the results to the source of the sufferes of beautified blow at the mash of the small that the mash formation of our Quaker friends. A MILLARY ROLLING STATE OF THE CONTROLLING STA

There lived in a certain neighborhoo not far distant from here, a roystering, rowdy bully. Jim Blander. Jim was risome on a fight, a kind of pugilistic Napoleon. Many and bloody were the affair he had in his lifetime, and invaribly he Came of best. Jim not only considered hunself invalnerable, but all the fighting EXECUTION OF THE MORTARS characters in the surrounding country conceded it was no use in fighting Jim, as he was considered to be a patent thrashing machine, that could not be improved on. In Jim's neighborhood had settled quite a number of Quakers. From some cause or other. Jim hated the "shad bellies," as he called them, with his entire heart; he of-

ten declared that to whip one of these inof-fensive people would be the crowning glory Washington, March 20. - An official text. One of Jim's chums overheard a than Island No. 10 is harder to conquer than on sight; besides various bruises and con-

done time execution. One said was fairly handed on their floating battery and cleared the concern in chort metre.

"I will pursue my way peaceably." said the concern in chort metre.

"I will pursue my way peaceably." said kers."

"I promise that!" said Jim: I'll be cursto for man with wrath will not permit him to molest me or allow him to do violence to my person."

"I promise that!" said Jim: I'll be cursto fit did."

"I promise that!" said Jim: I'll be cursto for my person."

"I promise that!" said Jim: I'll be cursto for my person."

"I promise that!" said Jim: I'll be cursto for my person."

been, to find there is a strong desire for the re-establishment of the mails, and a willingness among the people to return to their allegiance."

him senseless to the ground.

"Now." said Nathan, "I will teach thee a lesson, and I hope it will be a wholesome lesson, too. I will seat myself astraddle of thy breast: I will place my

A Story of the Times.

No, thou hast not hair enough. replied Nathan. Thou art now undergoing a process of moral purification, and thou must be contented to remain where thou layest until I am done with thee. Thou just profaned thy Maker. friend James. continued Nathali: "confess, dost thou re point thy wickedness?"

"No, hanged if I do," growled Jine.

"Wilt thou not," replied the Quaker.

"must I use computery means? I will impress thy windpipe again unless thou givest me an answer in Landau and the computer of the control of the con givest me an answer in the affirmativesay quick, art thou serry! "No-I-yees!" shricke! Jim in a gurgling tone, as the Quaker's grip tightened, "yes, I am sorry!" ened. "yes, r am sorry."

"Is thy sorrow a godly sorrow," inquired Nathan.

Jim rather demurred giving an affirmation of the source. tive answer to this question, but a gentle squeeze admonished him he had better yield.

"No, thou hast not half enough."

"Yes," replied Jim: "now let me pr "I am not done with thee yet," said Nadispatch from Commodore floore, received yearing Quaker speak in disparaging terms of this. The report soon came to Jim's of this neighborhood, time out of memory cars, and telegraphed to this place to despirate threats what he was going to do with Nathan, the meek follower of Penn, on sight; besides various bruises and conmore neareable life—that thou with large the more peaceable life—that thou wilt love the neighbors as thyself."

FRALACERT with Forts, and each Fortgermannd the top, to the state of t

e o my person. Sand Jim: I'll be cursulations as to the lamb-like qualifies of his adversary were doomed to be disappointed. Solutions as to the lamb-like will check thy respiration if thou yield? Solution of the work of the lamb-like will check thy respiration if thou yield? Solution of the work of the w and Astronautoro commession are various and according to the disappointed.

The result in the Hamp-ton present, hence very changes the result, and deeply has presented to Congress by the adaptive than the same of shad-helly. I will salt him and pickle him, too."
