DAILY POST owned by Gen. O'Hara; then crossing the Monongahela road (Second street) fell in-to the river at the ship-yard, between Scot's Hill and Boyd's Hill, where several vessels,

SATURDAY MORNING, MARCH 22.

INTERESTING REMINISCENCES. West Pennsylvania at the Begin-

ning of the Century. Pittsburgh Fifty-five Years ago.

At Charlestown, where he made the ac-quaintance of Mr. Bakewell, who afterwards settled here, we leave our traveler. Mr. Bakewell was from England and had is own business, and we crave their indul-Ar. Bakewelt was from England and had been making pottery and queensware for about two years. He complained much of his workmen, who left him before their deformance contracts expired and setup oppositiones tablishments. He says: "Bakewell's ware tablishments are for nor well share

tablishments. He says: "Bakewell sware is very good, but not so fine nor well glaz-ed as that manufactured in England, ow ing probably to the difference of material, as the process is the same." McCaution the process is the same. In August of the same year, Mr Cuming, but we regret to say that we are totatly unable to fill all the numerous and constantly having made a tour of the Ohio river, are uning, able to bil all the numerous and constantly increasing orders for the *Post*. As an in-turned to Pittsburgh, to which he devotes stance of the rapidity of increase in our circulation we may state on Thursday we received an order for 3000 papers from a quarter where we had not previously ex-ceeded for acceleration of the state of After giving the early history of the country and the defeats of Gens. Grant and Braddock, he describes Fort Pitt, which

cost £600,009 sterling, and tell us that as late presses, capable of throwing off from our as 1781, after the withdrawal of the garri-son, there were but a few small houses and cabins on the banks of the rivers, under the now taxed to their utmost capacity, run-bow taxed to their utmost capacity, run-be qualified not only to be the chief inhab-be qualified not only to be the chief inhabcost £600,000 sterling, and tell us that as late cating on the banks of the rivers, under the now taxed to their atmost capacity, run-protection of the fort, a noble row of ang all night, and still we are tradite to be qualified not only to be the chief inhab-brick and stone houses built by the French Indian traders on the banks of the Alleghe-ny having been undermined and swept away by that river in 1760. After 178t Pirts-with constructed two more six exclude to fill all only to be the chief inhab-work the demand. We are now having constructed two more six exclude row having which, with our additional force of hands. ny having been undermined and swept away by that river in 1760. After 1781 Pitts-burgh began to improve slowly and in 1784 a gazette was established. Brackenridge's Gazette publications, published by Mr. John Scull, the first pressentablished west of the Alleghery mountains

Scin, the first pressestablished west of the Allegheny mountains. In 1783 Fort Pitt was repaired by Gen. Irwin, but was afterwards neglected and a stockade fort, called Fort Fayette, was erec-ted on the bank of the Allegheny river; half a mile above Fort Pitt. In 1807 this ted on the bank of the Allegheny river, half a mile above Fort Pitt. In 1807 this was useless for either offence or defence and merely used as a barrack or place of deposit. The grounds had been liad out, planted and handsomely ornamented by Gen. Wilkison, some years earlier. After 1800 our town improved very rap-idly, as we find in 1808, 236 brick houses, fortw-seven built during the year, and 301

After 1800 our town improved very rappidly, as we find in 1808, 236 brick houses, forty-seven built during the year, and 361 we have taken no pains to blow our own furmpet, preferring to go on quietly and independently. One reason for "hiding our single-pandently. One reason for "hiding our single-pandently content to the sole of the true confided to them, by Him who, we might be tood, that I am God." (Isaich 43, 32.) In 1807 we had a contor factory, with a mode of 120 threads, a spinning jeany of 40 have it to more pratentions, but less to the sole on operation, to discust their minds to the sole on operation, to discust their minds. They had, however, and the pandent sectory is the sole on operation we have the sole on operation. The Previous very received into examination, has Sanday, are papil's connected with the Lord, that I am God." (Isaich 43, 32.) In the pande of 120 threads, a spinning jeany of 40 have it to more pratentions, but less to the sole on operation, to dismiss every is the Negley's Brigade, no the sole of the pandent sectory. chine under the same roof; one green and however, been removed by the award of chine under the same root; one green and ; however, heen removed by the award of one white glass manufactory, orieitherside ; the Post Office printing for the year to an-of the Monongahela; two breweries; an air, furnece, where hollow iron utensils were cast; four nail factories, at which one hun-ters and the admissions us to circulation.
