AMERICAN WATCHES FOR AMERICANS. No more English or French rubbish, made to sell, but not to keep time. WHYSHOULDANAMERICANBUY a foreign Watch, when he can get a better one at home? Why should an American needlessly onrich foreign Watch manufacturers, at the expense o our own artisans? Why should an American send gold to England and France, our covert but bitter enemies, when gold is so much needed at home? Why should an American buy an imported Watch, which, in nine cuses out of ten, will cost more to keep in order for one year than its original price, and which was never intended to keep time, under any circumstances? Why should Americans not patronize moregenerally American manufactures, and thus emancipate themselves from the thraidom o English capital, French fashions, and Continental gew-gaws? The American Watch Company's Watches are particularly adapted for soldiers' use, being most substantially made, and not liable to get out of order, either in marching, riding or fighting. Sold by all respectable Jewellers in the loyal

States. Wholesale orders should be addressed to ROBBINS & APPLETON,
