AMERICAN WATCHES FOR AMERICANS. No more English or French rub-bish, made to sell, but not to keep time.

WHY SHOULD AN AMERICAN BUY a foreign Watch, when he can get a better Why should an American needlasely surich foreign Watch manufacturers, at the expense of

our own artisans? Why should an American send gold to England and France, our covert but bitter enemies. When gold is so much needed at home?" Why should an American buy an imported Watch, which, in nine cases out of ten, will cost more to keep in order for one year than its original price, and which was never intended to keep

time, under any circumstances? Why should Americans not patronize more generally American manufactures, and thus emancipate themselves from the thrallom o English capital, French fashions, and Continental gew-gaws?

The American Watch Company's Watches are particularly adapted for soldiers' use, being most ubstantially made, and not liable to get out of order, either in marching, riding or fighting. Sold by all respectable Jewellers in the loyal
