In the Court of Quarter Sessions, yes-terday, Thomas Farrow, of Elizabeth township, charged with keeping and maintownship, charged with keeping and maintaining a nuisance, in the erection of a bridge across a public road in said township, was convicted, sentenced to pay a fine of ten dollars, and abate the nuisance within ten days. The defendant, with others, was interested in a coal pit in that vicinity, and the bridge had been built to facilitate their business, but a freshet having rendered the road impassible at that point, they were indicted upon information of the Supervisor of the township.
