An Appeal for Aid from the

and all of our readers to the following env. argent appeal from the Western Sanitary Commission. We have recently gained some glorious victories in that depart-to call a public meeting of the citizens at the Board of Trade. to call a public meeting of the citizens at the Board of Trade rooms, to sustain the to some some was at an immense sacrifice. there being great loss of life and many wounded. The latter will require much Resolved, That the Committee he apcare and attention, and it is our privilege pointed to procure boats, and to report at assist in making the sufferers comfortathe, by sending forward al once such arti-cles as may be needed. Certainly those subscribe the sum of \$1,000, for the furcles as may be needed. Certainly those who remain securely at home cannot do less than give a portion of their substance to alleviate the sufferings of those of our brave volunteers who have been wounded in defence of the Government. Let there be prompt and efficient action in this matter: The Western Sanitary Commission are under the necessity of renewing their appeal to the loyal citizens of the loyal

The important movements and battles in the Department of the West are increas-ing the hospital demands beyond all ex-pectation. Kinsas is calling for aid, and bectation. Kinsas is calling for aid, and the large array now occupying Southeast Missouri and Arkansas looks to St. Louis for all its supplies. The "Commission" ted to take whatever measures were necfor all its supplies. The "Commission" has sent away to different points, since the 1st of March, 10,879 articles of various

demand for 2.500 sick. This week, a 'floating hospital' will be fitted up and furnished by them, as a free-will offering of humanity, for the benefit of our sick and the Board of Trade meeting and also the

to follow the army, keeping as near as practicable, to receive the wounded in event of battle. Friend and foe will be treated in this respect alike. To MAJ. A. MONTGOMERY, Q. M., U. S. A. Telegram of this date received. Steam-

treated in this respect alike. It will be readily seen that large and continued supplies are needed for the abovenamed uses. Flannel shirts, Can-ton flannel shirts and drawers, heavy brown damestics in the piece, carefully rolled bandages, one and a half to two inchess wide, are expectively needed. Also, finen rags, and hill the smaller hos-mital supplies. Telegram of this date received. Steam-ers with hospital supplies, nurses and sur-geons are ordered from Cincinnati. There is danger of overdoing the matter if every ity on the Ohio sends out vessels to bring back the wounded: There mits be an in the service of the United States. If there are hospital supplies and real nurses and surgeons enough, going to make the organize taken by the service of the United States. If PATENT WRITING CASE.

Resolved, That the Board of Directors Resolved, That the Board of Directors

The Mayor was waited upon by the Com-mittee and, in accordance with their re-quest, called a meeting of citizens at the Board of Trade rooms in the evening. At helt mast seven quite a large number

ted to take whatever measures were nec-essary in the premises. James McAuley, Esq., was called to the chair and Messrs. J. R. Hunter, Geo. H. Thurston and Wm. Anderson were apkinds, for hospital use, besides the local

A large and safe steamboat has been purchased for the purpose, by General Halleck, and intrusted to the "Commis-sion "I to will be the state of the meeting and that the Board of Trade had raised sion.¹⁷ It will be thoroughly fitted up with 250 beds, and provided with surgeons, nurses, attendants, &c., under directions to follow the army, keeping as near as practicable, to receive the waveled in Traffic Art. A Markowski and the first state of the second state to follow the army, keeping as near as practicable, to receive the waveled in Traffic Art. A Markowski and the first state of the second state of the second

Also, break rags, and will the smaller hos-pital supplies. But, when practicable, the "Commis-cion" venture to suggest that contribu-tions in hearty are the most acceptable of all. They equily with this, buy material as it is needed, and hundreds of loyal women in St. Louis are ready to do the work exactly as murble remained. The remained is the sum of the stand of the stand of the stand of the stand. The remained is the stand of the stand. The remained is the stand of the stand of the stand of the stand of the stand. The remained is the stand of the stand. The remained is the stand of the stand of the stand of the stand of the stand. The remained is the stand of the stand of the stand of the stand of the stand. The remained is the stand of the stand of the stand of the stand. The remained is the stand of the stand of the stand of the stand. The remained is the stand of the stand of the stand of the stand of the stand. The remained is the stand of the stand of the stand of the stand of the stand. The remained is the stand of the stand of the stand of the stand of the stand.

It may not be improper to add that the the sick and wounded. The replies were India Robber.

The office expenses, &c., of the Com-relation are carry small, their own services

to the direct relief of the suffering. The office expenses, &c., of the Con-mission are cory suall, their own services being granitously given, and the whole amount of salaries paid for seven months does not exceed \$250. In a common work of humanity and loyalte, they venture to use all plainness of speech. Forthe Western Sanitary Commission, AMES E. YEATMAN, WILLIAM G. ELHOT, Money contributed will be received by R. C. Sawses, Jr., Mayor, Thomas M. Howe, No, W. Fifth street, James Park, Jr., at Lack, McCaney & Co's, and B. F. Jon, and completes may be sent to Chairman Board of Trade: Maj. Gen. Halleek accepts your offer of two steamboats with surgeons and surgeons and surgeons Defining and explaies may be sent to L. C. KELLER, A. A., G.
