BELL'S SPECIFIC PILLS are speedy in action, often effecting a cure in a few days, and when a cure is effected its permanent. They are prepared from vegetable extracts that are harmlesson the system, and never nause-the stemach, or impremate the breath and heing sugar coated, all nauseous taste is avoided. No change of diet is naceanary white many them, nor does their action interfere with business pursuits. Each box contains sig doesn Phile, and will be sent by mail, post-paid, by any advertised Agent, on receipt of the money.

None genuine without my signature on the wrapper.

J. BRYAN Rochester W. V. A.

Extract of a letter from a son to his father employed in the "Morning Post" office, dated GRANT'S DIVISION. PITTSBURG LANDING. TENNESSEE, RIVER, April 9th, 1862. DEAR PARENT-After having participated in a glorious victory of three days' hard

fighting, I find time to drop you a few The rebels came in on our forces Sunday morning before daylight, while we were sleeping, and drove us back pretty near to the river, spreading destruction on all sides. They captured two of our full regiments, and took hundreds of tents and camp #3-Single copies, ready formailing, FIVE CENTS. | all sides. They captured two of our full regequipments; they also took possession of took position against them and held them at bay till evening on Sunday, when the firing ceased for the night, to bury the dead. They had very little the advantage

The enemy were reinforced during the night. We also, with great difficulty, received reinforcements, as the rebels had burnt all the bridges in the vicinity of the night. We also, with great difficulty, received reinforcements, as the rebels had burnt all the bridges in the vicinity of the battalion I am in. Buell's forces had not been able to cross the river at that time. Early Monday morning they attacked our forces with ten-fold fury, but all to no purpose, for the Yankee boys bravely resisted their charges and held them in check for their charges and held them in check for two hours, during which time not a foot of ground was gained on either side, until two Indiana and the Eighth Missouri Regiment were brought forward to support our left wing, who gave them some touches of Zouave drill which the rebels were not so well posted in. They would fire—then lay down on their bellies—then load crawl.

NORTH SIDE, PHILADELPHIA.

Letter charges in the vicinity of the battalion I am in. Buell's forces had not been able to cross the river at that time. La PLANING MILL, would respectfully in the battalion I am in. Buell's forces had not been able to cross the river at that time. La PLANING MILL, would respectfully in and having nelarged hie stablishment, and filled is now prepared to furnish flooring and planing boards, scroll sawing and re-sawing, doors, sash their charges and held them in check for two hours, during which time not a foot of ground was gained on either side, until two Indiana and the Eighth Missouri Regiment were brought forward to support our left wing, who gave them some touches of Zouave drill which the rebels were not so well posted in. They would fire—then and, or the first properties of the first properties and the first properties and must approved machines, and filled in the might have killed me to stop my noise. I would have started to run, but it was upon me, and his was upon me, and so well posted in. They would fire—then lay down on their bellies—then load crawling and fire again, until they got sufficiently near the enemy, and then sprang up and charged on them and took two of their batteries. Buell, by this time, came across the river with his forces and charged on their centre and cut his way there are their centre and cut his way there are the second control of their centre and cut his way there are the second cut his way to be second cut his way the second cut his way the seco

It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about two of clock; the rebels fied in confusion, leaving their ranks. It was then about t long remember, being my first, and God grant that I may never witness another such, for when we were supporting the right wing the six-pounders and bullets flew like hail, but my brother and myself came out unhurt.

The loss on the rebel side is very great. Our loss is not equal to theirs, but it is impossible as yet to form an accurate idea.

Monday evening I passed over the battle field. What a horrible sight! You could well build had a first the field. CITIZENS AND STRANGER
In need of a medical friend, should not fail to find out the sure place of relief. The Doctor is a regular-graduate, and his experience in the treatment of a certain class of diseases is a sure guarantee to the sufferers of obtaining permanent relief by the use of his remedies and following his advice.

The individual control of the sufferers of obtaining permanent relief by the use of his remedies and following his advice.

The very sight bore evidence of descriptions of the surface of the sufferers of obtaining permanent relief by the use of his remedies and following his advice.

DR. BROWN'S REMEDIES

never fail to cure the worst form of Venereal
Diseases, Impurities and Scrofulous Affections.—
Alon all diseases arising from a hereditary taint, which manifests itself in the form of tetter psoriasis, and a great many forms of skin diseases, the origin of-which the patient is entirely ignorant. To persons so afflicted, Dr. Brown offers hopes of a sure and speedy recovery.

Dr. Brown's remedies for the alarming trouble.

Dr. Brown's remedies for the alarming trouble. encountered about six numered rebel cav-alry, who had driven in our infantry pick-ets, killing many. But when our cavalry charged on them they could not "stand the pressure," and fled. For four miles it was pressure, and fied. For four miles it was nip and tuck, when our progress was checked by them tearing down a bridge, which prevented further pursuit. If this is Southern "chivalry" it won't compare with that of Yankeedom. On our return, the road was strewed with tons of flour and meat, drugs, strewed instruments tonky comp. Figure 1. of health.

RHEUMATISM.

Dr. Brown's remedies never fail to cure this painful disease its A FEW DAYS—he will warrant a cure. He also treats Piles, Gleet, Gonnorrhea. Stricture, Urethal Discharges, Female Weakness, Monthly Suppressions, Diseases of the Joint, Fistula in Ano, Nervous Affections, Pains in the Back and Kidneys, Irritation of the Bladder, to gether with all diseases of an impure origin. A letter describing the symptoms, containing a preg. directed to DR. BROWN, No. 50 Smithfield St., Pittsburgh, Pa., will be immediately answered. Medicine sent to any address, safely packet and secure from observation.

Office and Private Rooms, Nc. 50 Smithfield street, Pittsburgh, Pa.

Office and Private Rooms, Nc. 50 Smithfield street, Pittsburgh, Pa.

The prisoners inform us that Beaure.

The prisoners inform us that Beaure-gard, the day before the battle, marshaled his army out into battalions and swore them "to drive our army into the Tennessee River or die in the effort." They also think that a victory at Corinth will wind up the fighting in Tennessee.

P. S.—I am writing these lines on a sick man's cot, on Secesh paper, which I found in their camp after the battle.

I was you add of delto accompanies to the variety and of delto accompanies to the variety of the Mercurial treatments to the variety of the Mercurial treatment, here are dead that their reached his right hand up over his shoulder, and, from beneath his coat, he mean and playing the strength and the line of the variety of the Mercurial treatment of the variety to the variety of the Mercurial treatment, here are not all with a make the strength and their treatment who has a warry thought and their treatment who has a warry thought and their treatment who has a warry thought and their treatment who had a playing against the broke it and warry thought and their treatment and their treatment who had a play the mean and profession and treatment and their treatment "Stranger." he said, his voice sounding

He reached his right hand up over his shoulder, and, from beneath his coat, he drew forth the largest, longest, brightest, and most savage-looking bowie-knife I had ever seen. My knees smote together, and my heart leaped to my throat.

'You've got money,' he went on, as he will be reached his right he went and my heart leaped to my throat.

You've got money, 'he went on, as he held the gleaming weapon in his hand, time Fails room to work it would be reduced to the fails of the work of the fails of t in the deal greating weapon in his hand, if you won it—won all. I lost—lost all, I lost—lost all, I method broke—uct a pic. I wantenough to get home. I paid \$20 in clar yaller gold for this yer toothpick. Give me \$15 ou it, an 'I'll go. Ef ye're a man yo won't refuse that.'

Mercy! what a lettine down was that.'

Instead of seeking my hic, the poor fellow had followed me for, the purpose of pawning his bowie-knite! He was ac quainted with none of those when he had seen at the gaming-house, and he had ne friends in the city. If cared him no more. As I spoke with him now I felt that he was a true hearted man.

Instead of seeking my hic, the poor fellow had followed me for, the purpose of pawning his bowie-knite! He was ac quainted with none of those when he had seen at the gaming-house, and he had ne friends in the city. If cared him no more. As I spoke with him now I felt that he was a true hearted man.

As I spoke with him now I felt that he was a true hearted man.

As I spoke with min now was a true hearted man.

"If you get S15 you'll go Fack to the TWO. H.S. WOOD STREET, ADSOINTING THE BANK.

was a true was a flow and sore:

"I you get \$15 you'll go tara."

His answer was slow and sore:

"I've tried it twice, stranger, an when I wi tagain I'll let you know."

I told the man to come with me.

"Come to my boat," I said, "and you at the lowest possible scient. Call show, only a low lett."

"I've tried it twice, stranger, an when I wi is the time to buy a low i shall have the money.

He said perhaps I'd let him stay on board all night.

COAL. NET COAL STACK AND GRAPE VINES CURRANT, and GOOSEBERRY BUSHES.

just what I would do; and when we reached the boat I took him to my state room and handed him a chair. Said I:

"My friend, I have made a resolution since we have been walking together—I have resolved that I will gamble no more, While you and I played at the same table by which was a same table by which you lost \$3,900. "
"Nactly," he replied.
"Well," I continued, "I am going to make up to you what you lost. I shall

feel better to do so.

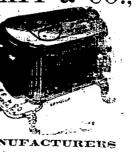

The Hoosier started in amazement. I shall consider it as one of the most valnable experiences of my life. The plain-hearted fellow seized hand, and my offer was accepted; and, when he told me that he would never play again. I believed him. He took the money, and all he could do in return was to make me accept the bowie-knife; and to promise much that he would always annually more than the the would always annually me. ise me that he would always remember me That was several years ago. I have not ventured a dollar at any game of hazard

with the warmest emotions. since, nor do I believe my Hoosier friend has done it either. I keep the lyng, heavy bowie kuife, and I never look upon it but I think how weak my knees were when my gaze rested for the first time upon its gleam

I told him "No. I had played enough." I pushed over my cheques, and he gave me the cash for them-some gold, and I pushed over my cheques, and he gave me the cash for them—some gold, and some bank-notes, to the amount of nearly six thousand dollars. I went to the barrand took a glass of wine, and then I started for my boat. The night was dark, and I had a long distance to walk. I looked at my watch as I came through the hall, and I found it to be an hour past midnight. I began to think I had been a fool. But there I was and I must make the best of my way to the boat. So I started forth at a brisk walk, intending to strike the levee near the mint, and then follow the course of the river. I had gone half a mile or so when I heard heavy footsteps behind me. I increased my rate of speed: but the following footsteps still came nearer. I harried on, but to no officier that the following footsteps still came nearer.
