CITY AND NEIGHBORHOOD INTELLIGENCE

The Care of the Wounded-Let Our Citizens do their Duty. It was a humane act to send a santary fleet to Pittsburg Landing to bring to this city the sick, suffering and wounded soldiers left there after the battle of Shiloh, and the self-sacrificing spirit of those who have devoted their time and attention to the sacre of the room fellows at the Marine the care of the poor fellows at the Marine Hospital and Infirmary is highly commend-Hospital and Infirmary is highly commendable, and we are glad to know that under lying in a pool of blood, by her landlord,

It is, therefore, with surprise and regret that we learn that only prize and regret that we learn that only charitable Episcopalean ladies. gheny, have returned any funds through the collecting committees, and indeed we know of only one other ward in which the committee is at work. The entire cost of the expedition and subsequent expendithe expedition and subsequent expenditures will probably reach \$6,000, of which some \$4,000 has been collected and disbursed. Of this amount \$1,650 was from the Reach of The oursed. Of this amount \$1,650 was from the Board of Trade and \$1,900 from the Second Ward; while, as we have said, some districts have not contributed one

Collectors were appointed in all the wards, and they should at once set themselves at work to perform the duty assigned them. The \$2,000 additional must be raised, and certainly it will not come heavily upon the eight districts yet to be heard from, in proportion to the amount subscribed by the other wards. Indeed the First Ward should furnish the whole

Western Theological Seminary. The closing exercises of this institution took place last week. At the close of the examination of the classes, Dr. Brown, late President of Jefferson College, Chairman of the Committee of the Board of Directors, delivered an address to the students. It is represented as being very able and appropriate. On Tuesday evening, the Rev. Dr. J. D. Smith, of Columbus, Ohio, delivered a discourse before the Society of Inquiry—subject, "The Law of Progress in reference to the Knowledge of Revealed Truth." On Wednesday evening, the closing addresses of the graduating class were delivered, after which Dr. Elliott distributed diplomas to the class of thirty-three persons. The farewell address was then delivered by Mr. D. Miller, after which a copy of the Scriptures was pre each member of the class by Rev. Dr. Paxton. It is stated five or six of this class have offered to go to the hea-

Arrested for Affiliation. Officer Strain yesterday morning arrested a young man named Peter J. It will require but a small effort on the part of each, and we hope ere long to hear of the required amount being paid in to the committee.

New Novels. Mrs. Henry Wood has just given to the world another of her fine domestic stories, entitled the "Heir to Ashley."
