dividual, Mr. Seward, about the people have bred a pestilence. Flour in abund-

oners confined in Richmond have been in particularly high glee, within the past few days, at the news that they are immediately to be sent home on parole. They, or rather the most of them, have enjoyed the pleasing advantage of a residence in Richmond for many months, and when they get back home will doubtless spin out many a direful yarn of their sufferings, which, in the monotony of their prison ease and relaxation, their imaginations must have conjured up for the occasion. They will be sent down the river, we un derstand, by way of Yorktown, where they will he have the derstand, by way of Yorktown, where they will be hauded over the ided over to their evil genius lieneral McClellan.

Water Approaches to Richmond to be Closed.

From the Petersburg Express, May 2, The regular monthly meeting of the Common Council was held yesterday. the conneil appointed a committee of three, consisting of Messrs. Lemuel Peebles, D'Arcy Faul and H. W. Siggins, to confor with the proper authorities relative to the propriety of so obstructing the Appomattox and James rivers as to prevent the approach of the enemy's gunboats. This is a step in the right direction, and one that deserves the earliest attention of both he government and the committee. Petersburg in Danger---Rebel

Gunboats Wanted. From the Petersburg Express, May 2. We have a city of nearly 20,000 inhabitants, situated on a water course easily ascended by the light draught gunboats of the enemy. Our position is very important, insomuch that if Petersburg should be captured by any possibility, Richmond would certainly fall. Then we would be

ing and scattering the rebels in Virginia in most "admirable disorder." They are flying like sheep, pursued by hungry wolves. The gallant young chieftain is closing the campaign in Virginia in a blaze of glory.

The following dispatch from Gen. Mc. Clellan, which was read in the House of Representatives on Tuesday last, but which for some reason was not sent to the press by telegraph, speaks for itself. It will be seen that the Secretary of War. who seems would certainly fall. Then we would be raised her would be raised here and the tremendous aufficient sum could be raised here and very formidable gunboat. Who will broach the matter, and who will make the first deposits?

Charles Lennox Wake was having a private conference with Doblado at Puebla, the end of which Gen. Prim was awaiting at Vera Cruz. It was thought to bode no good to the French. The causes given by tages they would gain and the tremendous filling what they had agreed and stipulated, are four, as follows:

First.—The declaration of war on the government of President very formidable gunboat. Who will broach the matter, and who will make the first deposits? The Loss of New Orleans.

From the Augusta (Ga.) Constitutionalist. The capture of the Crescent City by the Yankees involves a serious loss to the Southern Confederacy. It cuts off an ex-tensive depot of supplies for our army and curtails our facilities for the manufacture of arms and ammunition. It virtually gives the enemy the control of the Mississippi river and deprivers of the Mississippi river and deprivers.

would not involve the conquest of the di South. The London journals take the

700 of the Enemy left on the Field. OUR LOSS KILLED AND WOUNDED NEAR ONE THOUSAND. EVACUATION OF SEWELL'S POINT.

BALTIMORE, May 8.—The following is from the American's account of the battle of Monday: The battle before Williamsburg on Monday was a most warmly contested engagement. Owing to the roughness of the country and the bad condition farnished by the special correspondent of of the roads, but a small portion of our

Washington, May S.—Messrs. Richardson, Knapp and Robinson, of Illinois, Law and Voorhies, of Indiana, Allen, White, Noble, Pendleton, Morris and Vallandingham, of Ohio, Johnson and Ancona, of Pennsylvania, and Shiel, of Oregon, have issued an address to the Democracy of the United States, setting forth party organization as a positive good, and essenting the states are considered. or the United States, setting forth party organization as a positive good, and essential to the preservation of public liberty. This they say is now a vital necessity, and all men, without distinction of State, section or party, who are for the Constitution as it is and the Union as it was as invited. General McClellan's Dispatch to as it is and the Union as it was, are invited to unke with them in their great work, upon terms of perfect equality. This they

Washington, May 8.—The Navy Department has received dispatches from Commodore Dupont to-day, dated Port Royal, May 2d. giving interesting particulars of an expedition on the 29th ult., with the Hale, to capture a battery on Grumball's plantation, near the junction of the ball's plantation, near the junction of the Dawho, Pawpaw and South Edisto rivers. It appears that the enemy opened on the Hale when within eignteen hundred yards, and conducted their fire as she would here and conducted their are as she would here a say to engage them at close quarters; but when the Hale reached the lust bend, and was making a straight course for the battery, the rebels fled in haste.

Lieutenant Gillis landed with a party of

The work was about three hundred and y yards from the river bank, and mountfity yards from the river bank, and mounted two fine long twenty-four pounders on excellent field carriages.

One of the guns, so rapid was the flight of the rebels, was left loaded and primed.

The Hale returned to her anchorage

without having a man injured.
Another report details the proceedings at Bull's Bay.
Lieut. Nickels crossed the bar with the Onward on the 7th ult., and anchored within 300 yards of a light house on Bulls' within 300 yards of a light house on Bulls Island and opened fire on a small work situated about fifty yards to the Southward of the light house. Shortly after he landed in his boats covered by the guns of the Onward, the rebels fired upon the party but not awailing an attack accounted.

miles to the Southward, dispatched threat armed boats, together with a detachment of 25 men from Col. Bell's command, to capture her, which was done and the schooner brought to St. Augustine. The schooner was called the Empire City. She had an English register and cleared from Nassau for St. John, N. B. Her cargo consists of provisions, dry goods, medicines, etc. In consideration of the fact, the citizens of St. Augustine were without the necessaries of life and with no means of getting them. Lieut. Nicholson sold the cargo or a portion of it at auction. the cargo or a portion of it at auction, considering the overruling necessity. The gunboat Kerhawa on the 21st ult., off Mobile, captured the R. C. Files, which was attempting to run the blackade. She was loaded with cotton and has been sent to Key West.

Key West. Information has been received here that cavalry reconnoissance was recently nade to Culpepper Court House. Seven prisoners on horse back were captured as prisoners on norse paca were captured as they were endeavoring to escape. They have been sent to Washington. Our troops were favorably received by the people, but only temporarily occupied the

people, but only temporarily occupied the town.

Minister Adams has presented a claim to the British Government for the restoration of the ship Emily St. Pierre, the captain of which rose upon the prize crew and conveyed her to Liverpool after her capture by the United States fleet for violating the blockade.

An o der from the War Department says:

ders of the army in the field, authority will be given by the Department to the Governors of the respective States to recruit. The Galens, Aristock and Port Royal started up the James river at six o clock this morning have passed the Day's Point battery. Heavy firing has been heard up the river since their departure. This will cut off the river communication with the rebel army south of Chickshomany Creek. Immediately after the gunboats started the rebel tug J. B. White, came out from Newport News, having left Nortolk this morning with a new and it we citizen an open to Newport News and surrendered to Gen. Mansinelde. This is the shield time they have at the morning with a new and it we citizen an open to Newport News and surrendered to Gen. Mansinelde. This is the shield time they have at the morning with a new and surrendered to Gen. Mansinelde. This is the shield time they have at the river description of the sampled to escape.

The sample of the river towns are removed to the southern tributaries of the sampled to escape.
