priety and decency as of right and justice [Concluded.] generally. Were it otherwise, Mr. Love-50 generally. Were it otherwise, Mr. Love-ioy would have refrained from moving the thanks of Congress to General McClellan for his splendid successes in Virginia. He mad his associates having hatched and pro-secuted the conspiracy to overthrow Gen. city, and it appeared curious, to say that

generally. Were it otherwise, Mr. Love-bio yould have refrained from moving the thanks of Congress to General McClellan for his splendid successes in Virginia. He and his associates having hatched and pro-dus accuted the conspiracy to overthrow Gen. McClellan, nud having prayed that he might fail in the field, they would now, had they any sense of decency, slink away in confusion and shame, rather thancome impudently forward and propose thanksto him. General McClellan wants no thanks from them. He has found them harder onto its caunagin, they have, sided by the Secretary of War, kept up a constant first nist reas since his departure. In system in scans since, his departure. In the secretary of War, kept up a constant a large force from his army, and thus have crippled his operations, retarded his vic-tories, and perhaps enabled the rebela. Fre his freak with agura their hypocritic al tharks, and regard them herefore, a large force from his. Gen. McClellan these smaller cares of life secretary to bake have only miscrudies in the freak have. "Who?" I ask. "The Count's Laway and how as a lifted up into a cloud, and these smaller cares of life secretary to detach in the his rear since his departure. In strike first night. The excess of care I felt was only ludicrous. It was safe; I would ar-tive safe. "Not far from the Palazzo, dear," she army to escape from his. Gen. McClellan and his friends will spurn their hypocritic cal thanks, and regard them herefore, as incertary. The Count's tenants and relatives," "The count's tenants and relatives, " "The count's tenants and relatives," "The count's tenants and relative, " "The count's tenants and relatives, " "The count's tenants and relatives," "The count's tenants

they have regarded them heretofore, as meaner, more malignant, and more dand, in short, there will be a little fet to relevant soft the country than the souther the sector. This short, there will be a little fet to clebrate his return." "We shall dance the first set "This ladded in a low whisper, but the fet test." This ladded in a low whisper, the tot so low but that he heard me. This speech seemed to exasperate the old Conde. "You should dance the first set "This speech seemed to exasperate the old conde. "You should dance the first set with that the store of yours," he said, touching it with the store.
