M B—We line the DIAMOND and ECLIPSE from which it appears that the object of the political was to reconcile the North and the fire better than iron.

M B—We line the DIAMOND and ECLIPSE from which it appears that the object of the political was to reconcile the North and the fire better than iron.

M B—We line the DIAMOND and ECLIPSE from the molitical was to reconcile the North and the fire better than iron.

M B—We line the DIAMOND and ECLIPSE from the molitical was to reconcile the North and the fire better than iron.

M B—We line the DIAMOND and ECLIPSE from the moli intervention of his imperial master to cut the Gordian knot, whose severance would give the French abundance of cotton and obacco. Peace is manifestly for their in terests, particularly such a peace as would establish permanently two republics in North America. But the French and Belgian journals will do well to observe that there only one way of settling the difficulty, and that is by the rebels laying down their arms and submitting to the United States government, according to the constitution drawn up by the fathers of the republic and ratified by the whole people.

From Chambers' Journal. A NON-COMBATANT HERO

SELECT TALE.

A polite French gentleman, who had meant no harm, was once knocked down by an ancient English civilian because he and called him a non-combatant. Briton," urged the latter in extenuation of his hasty conduct, "no matter what his profession or his age, should ever be called a non-combatant, or anything like it, and a non-combatant, or anything like it, and least of all, by a Frenchman." Our ven-From Yerktown to Richmond is.
