Boware of the innumerable array of alcoholic preparations in plethoric bottles, and big-hellied keez, under the modest appellation of Bitters; which, instead of curing only agaravate diveases, and leave the disappointed sufferers in despair, DO YOU WANTSOMETHING IN STRENGTH-

If you do use HOOFLAND'S GERMAN BITTERS. From J Newton Brosen, D. D., Editor of the En-cyclopedia of Keligious Knowledow. revelopatia of Religious Knowledge.

I do this the more readily in regard to Hooff land's German Bitters, prepared by Dr. C. M.
Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture of I am indebted to my friend Robert Shownaker. Eq., for the removal of this prejudice by proper tasts, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the breinning of the present, year, was followed by evident relief, and restoration to a degree of loadily and meated vigor which I had not felt for six months before, and had almost depaired of regalning. I therefore thank God and my friend for directing me to the use of them.

DR. JARKSON - DRAE S.R.:—I have been frequently requested to counset my name with commendations of different kinds of medicine, but, regarding the practice as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart from my usual course, to express my full conviction that for general debility of the aystem, and especially Liver Complaint it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours very reopectfully.

Dyspepsis, Chronic and Nervous debility, disease of the Kidneys. Ac. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without heasistics, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown, and is sold in every Drug Store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above diseases.
