Harness or Saddle duals, Scratches, Mange, &c., it will also speedily cure Spavin and Ringbone may easily be prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a Ranca, curk. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will alawys remove the Lameness, and enable the horse to travel with comparative case.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidadiseases mentioned, to which all borses are liable, and which render so many otherwise valuable horses nearly worthless.
