HOOFLAND'S GERMAN BITTERS. From J. Newton Brown, D. D., Editor of the En-

 Fron J. Benton Broten, D. D., Editor of the Eac-excloperdia of Religious Knowledge.
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their largeredients and effects: I yet know of no sufficient reason why a man may not testify to the baneat he balarces himself to have received from any simple preparation in the hope that he may I thus contribute to the heneit of others.
I do this the more readily in regard to Hoof-1 land's German Bitters, prepared by Dr. C. M.
Jackson, of this eity, because I was prejudiced against thew for many years, under the impres-sion that they wave chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker.
Kao, for the removal of this prejudice by proper tests, and for "encuragement to try them, when suffering from great and long: continued doblity.
The use of three bottles of these Bitters, at the beginning of the present year, was followed by veriant-relief, and restoration to a degree of bodily and mental wirer which I had not felt for six media before, and had almost depaired of re-galaing. I therefore thank God and my frien 1 for directing me to the use of them.
