INFALLIBLE LINIMENT FOR HORSES is unrivalled by any, in all cases of Lamenes, arising from Sprains, Bruises or Wrenching, its effect is, marical and certain. Harness or Saddle Galls, Scratches, Mange, &c., it will also speedily cure. Spayin and Ringbone may easily be prevented and cured. In their incipient stages, but confirmed cases are beyond the possibility of a ZABUGA CURE. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application wil alawys remove the Lameness, and enable the horse to travel with comparative case.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidadiseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.
