SOMETHING NEW AT

No. 83 FOURTH STREET.

I would invite the attention of ladies and gentlemen to that beautiful piece of art so much settemed of late called the ILLUSION PARTING and my mode of inserting the same in Wiss and Madonna Bands.

It gives them a light and life-like appearance hitherto unattained; I have also just received a large and carefully selected stock of the best French Hair, purchased for cash, and my motto is quick sales and small profits.

CAMERON'S EXTRACT OF FLOWERS, or Botanic Cream, for softening and beautifying the hair, is too well known to need comment. Also, my new HAIR WASH for family use; it prevents the hair from falling out and getting prematurely grey. Ladies do you want to have a clear, beautiful, white and healthful skin? If so, get a bottle of my Philodermie, or Skin Cleanner, and take a little healthful out door exercise. This is no humbur, but will preserve your beauty to old sgrenbissorid all poisonous skin paints.

Discard all poisonous skin paints.
