DINGELDEIN. BLACK SHAWLS, No. 19 Fifth Street.

SOMETHING NEW AT

I would invite the attention of ladies and gentlemen to that beautiful piece of art so much esteemed of late called the ILLUSION PARTING, and my mode of inserting the same in Wigs and Madonna Bands.

It gives them a light and life-like appearance hitherto unattained; I have also just received a large and carefully selected stock of the best French Hair, purchased for cash, and my motto is quick sales and small profits.

CAMERON'S EXTRACT OF FLOWERS, or Bottanic Cream, for softening and beautifying the hair, is too well known to need comment. Also, my new HAIR WASH for family use; it prevents the hair from falling out and getting prematurely grey. Ladies do you want to have a clear, beautiful, white and healthful skin? If so, get a bottle of my Philodermie, or Skin Cleanser, and take a little healthful out door exercise. This is no humbug, but will preserve your beauty to old age.—
Discard all poisonous skin paints.

Williams, we learn that the loss in the regiment was forty-five in killed and wounded; of these six were killed on the field and several died of their wounds subsequently. Only one Pittsburgher was killed, private Dietzel, of Capt. Kopp's company. *3-Just opened a very nice assortment of Alex. Hays, of the 63d:

"It seemed that the enemy's advance was checked, for he was fairly stopped in the swampy ground near the Nine-Mile Road; but he had gained too much to give it up easily, and he tried again; and again our lines gave way. The First Long sland broke, but two of Johnson's regiments—the Fifty-Seventh and Sixty-Third, Pennsylvania—would have more than retrieved it. Col. Campbell, of the Fifty Seventh, was soon down, but Col. Hays, of the Sixty-Third, by his heroic example and desperate endeavor, kept the men in their places, and inspired all around him with a noble emulation; yet the fire was fearful—the regiments seemed to melt.
