Frightful Accident.

Two young men, named Leipsick and Klinkler, were shockingly burned at a foundry in Wheeling, on Saturday. A blast had just been completed, and a "shank," or large pot full of molten iron stood in front of the cupola. Klinker, being a new hand, and not knowing the consequences, picked up a wet ladle and placed it in the pot of iron. "The result was an explosion pot of iron. The result was an explosion which threw the hot iron in small and large particles all over the moulding room. Klinkler was badly burned about the face and upon various parts of his body. It is thought that he will lose both of his eyes, and perhaps his life. A large quantity of the metal strack Leipsick upon the abdo-men, burning him in a painful manner.

Railroad Passes.

We notice an item in an exchange paper worthy of attention. It seems that the East Pennsylvania Railroad, like other corporations, gives free passes to the menters of the Legislature. It is a mean deception, practised for the purpose of gaining popularity, and should be punished on every occasion by exposure and a revocation of the pass. Our view is that no holder of a free pass has the right to betray the of a free pass has the right to betray the confidence reposed in him so far as to permit it to be used by another for whom it was never designed—and we hope this will be received as our answer by all who may hereafter apply for the loan of our passes; we shall ever feel in day bound, as hereto-

The business of this Court, over which Judge Sterrett presides, is very unimpor-tant. The following cases were tried yes-terday: V. Raymond and Maria A. Koff, indicted for assault and battery, were found not guilty. Mary Ann Gipson, the prose-cutrix, was ordered to pay one-third the costs, and the defendants two thirds. Jo-seph Will plead guilty of fornication and bastardy, on information of Ann Kauff-man, and was sentenced to pay \$20 as expenses, \$30 for past maintenance, and 62 cents a week for three years. Daniel Rob inson, charged with assault and battery, was convicted and sentenced to pay a fine was convicted and sentenced to pay a fine of \$5 and costs. James Davis, convicted of the larceny of a pistol from John Cook, was sentenced to the Penitentiary for one year. The parties are both colored. Wash. Freese was arraigned on a charge of larceny, and put in a plea of guilty. He was charged with stealing a coat from J. F. Slagle, Esq., in 1861, and having no defense, plead guilty. He was remanded to answer five other charges. John Cook, colored, indicted for keeping a bawdy house, was acquitted, and the prosecutor, James Davis, was ordered to pay the costs. This was a cross suit, the prosecutor having stolen a pistol from Cook. Zacchens Scott was put upon trial for obstructing a

SOMETHING NEW AT

I would invite the attention of ladies and gentlemen to that beautiful piece of art so much setemen to late called the ILLUSION PARTING, and my mode of inserting the same in Wigs and Madonna Bands.

It gives them a light and life-like appearance hitherto unattained; I have also just received a large and carefully selected stock of the best French Hair, purchased for cash, and my motto is quick sales and small profits.

(AMERON'S EXTRACT OF FLOWERS, or Botanic Cream, for softening and beautifying the hair, is too well known to need comment. Also, my new HAIR WASH for family use; it prevents the hair from falling out and getting prematurely grey. Ladies do you want to have a clear, beautiful, white and healthful skin? If so, get a bottle of my Philodermie, or Skin Cleanser, and take a little healthful out door exercise.
