Sr. JOHNS, N. B., June 14.—The steam-er China with Liverpool dates to the 7th inst. passed Cape Race this morning.— The following is a summary of her advices. It is runnored that the Emperor Napoleon contemplates a protectorate of Mexico.— The steamer Porcupine is ab giving to each State in its discretion to compensate for the incovenience of public and private property produced by such a change, and whereas, the President of the United States in his recent proclamation revoking and annulling a certain author-ized emancipation, assumed to be made by Gen. Hunter of the United States army has entrastly involved the such a such as the such war, so disastrous to humanity and the

war, so disastrons to numanity and the welfare of Europe. Mr. Fraxson, owner of the steamer Cir-cassion, publishes a letter asserting that the vassel had nothing really contraband aboard and was legitimately chartered for a voyage from Bordeaux to Havana, her Iraft of water was too great to enter any onfederate ports, so that it was impo ble she could run the blockade. The ship Automnette had left Liverpool for New Orleans with a cargo of salt. Other vessels

ere soon to follow. The Empress Eugenie was expected to bay a private visit to England during the mperor's stay at Viepy. The Italian government had resolved to

orm six new brigades of Infantry. Austria continues to concentrate troo Ventiia.

The Italian Chambers had adopted a vote of approval of the course of the

Ministry. The publication of official documents at Madrid relative to affairs of Mexico had produced an impression little fovorable to Gen. Prim.

The China's passage from Quee to Cape Race was accomplished in five days and seventeen hours.

The steamer Niagara arrived at Queens town on the 8th inst
