ENO ALCOHOLIC PREPARATION! A PURE TONIC MEDICINE.

DR HOOFLAND'S CELEBRATED

PREPARED BY

DR. C. M. JACKSON, Philadelphia, Penna.,

Will effectually cure

Liver Complaint,

DYSPEPSIA, JAUNDICE,

C**hronic, or Nerv**ous Debility, Diseas of the Kidneys, and all Diseases Arising from a Disordered Liver or Stomach,

THEY CONTAIN NO ALCOHOL OR BAD WHISKY!

They will cure the above diseases in ninety-nine asse out of a bander and an inversal popularity of Hoofland's German Bitters. (purely vegetable) hosts of ignorant quacks and unserupulous advanturers, have opened upon suffering humanity the flood gates of Nostrums in the shape of poor whisky, vilely compounded with injurious arms, and christened Tonics, Stomachics and Bitters. Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-bellied kees, under the modest appellation of Bitters; which, instead of curing only aggravates diseases, and leave the disappointed sufferers in despair.

Although not disposed to favor or recommend patent Medicines in general, through distrust of their ingredients and effects. I yet know of no sufficient reason why a man may not testify to the benefit the believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoof land's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture, Lam's for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by crident relief, and restoration to a degree of bodily and mental vicer which I had not felt for six months before, and had almost depaired of regaining. I therefore hank God and my friend for directing me to the use of them.

Soon after the man nodded to the conductor of the car in which we were riding; the check-string was pulled, the car stopped and he stepped out. My eyes followed him as the car moved on until I saw him enter a house. Five days afterward—I had forgotten the trifling matter of one killed and three wounded—in passing this house I saw crape on the corner.

Who is dead in the third house below. Who is dead in the third house below. I asked of the store-keeper at the corner.

"Who is aked of the store-keeper at the corner. Below. The was killed."
