They will cure the above diseases in ninety-nine ases ont of a hundred.
Induced by the extensive sale and universal popularity of Hoofiand's German Bitters, (purely vegetable) hosts of ignorant quacks and unserupulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of poor whisky, viiely compounded with injurious drugs, and christened Tonics, Stomachies and Bitters.

ters.

Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-bellied kegs, under the modest appellation of Bitters;

which, instead of curing only aggravates diseases and leave the disappointed sufferers in despair. DO YOU WANTNOMETHING to STRENGTH-DO YOU WANT A GOOD APPETITE! DO YOU WANT TO BUILD UP YOUR CON-STITUTION!

DO YOU WANT TO FEEL WELL! DO YOU WANT TO GET RID OF NER YOU. NESS! DO WANT ENERGY!

DO YOU WANT TO SLEEP WELL! DO YOU WANT A BRISK AND VIGOROUS FEELING!

If you do use HOOFLAND'S GERMAN BITTERS. From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. cyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture, I am indebted to my friend Robert Shoemaker, I am independent of the prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by wident relief; and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost depaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Philadelphia, June 23, 1951.

From the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church.

Dr. Jackson-Drak S.R:—I have been frequently requested to connect my name with commendations of different kinds of medicine, but regarding the practices as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hooftand's German Bitters. I depart from my usual course, to express my full conviction that for general debility of the system, and especially Liver Complaint it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours very reopectfully, J. H. KENNARD, Eighth below Coats street, Phila, Dec. 24th.

From the Wife of ALDERMAN WUNDER, Ger-DR. C. M. JACESON - Sir:—It gave me pleasure, two years ago, to give you a certificate, testifying what the German Bitters had done for me. I am now perfectly cured of all those diseases your medicine professes to cure, vir. Dyspepsia, Chronic and Nervous debility, disease of the Kidneys, &c. The powerful influence it exerts upon Nervous prostration is surprising, I have been consulted frequently in reference to your Bitters, and without heefstation, have recommended it for the above complaints, and in every instance it has

sulted frequently in reference to your Bitters, and without heatsties, have recommended it for the above complaints, and in every instance it has effectually cored. Your medicine has a great reputation in Germantown, and is sold in every Drug Store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have curred in this vicinity more than twenty cases of the above diseases.

Respectfully, HANNAH WUNDER, Main street, above Rittenhouse, Germantow JUST THE THING FOR THE SOLDIERS. Will build up the constitution, and give health not strength to an overtasked and diseased ealth.

READ THE TESTIMONY FROM THE ARMY PHILADELPHIA, August 12, 1862. DR. C. M. JACESON—Dear Sir. While in Virginia, owing to the change of water, I was taken with a severe diarrhea, which seemed incurable, and which greatly weakened me. When we reached Martinsburg, I feared I should have to some home: but noticing some of your Bitters in the store Mr. H. H. Price, in that town, I purchased sumply, and on taking it was speedily restored to health. The diarrheas was quickly checked, and I experienced no return of it. A number of my comrades, who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this certificate. I expect to return to the seat of war with the Legion, and shall certainly take a supply of the Bitter; in my knapsnek. I would not be without it for its weight in gold, perticularly on going into a limestone region.
