Completion of the Pittsburgh and Connellsville Railroad.

SALEM, OHIO, 8TH OF 7TH MO., 1862. B. H. LATROBE, President of Pittsburgh and Connellsville Railroad Company: I am informed there is an effort being made to finish your road to Cumberland, in Maryland, there to connect with the Baltimore and Ohio, for your Eastern outlet. The line from Connellsville to Cumberland being the only vacant link in the chain of railways, your road when finished will connect Washington City with the West and Northwest portion of our country, by the shortest, most natural and most practicable route that has been found, and by its connections the Federal Capital will be in direct communication with that portion of the Union, which the Government Rainy, C, 105th sick; Alexander Jackson, 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, exposure and over-exertion in the seven 103d, sick; sergeant Samuel De Gamp, C, e area of more than eight hundred thousand square miles, and now containing over eleven millions of inhabitants, being more than one-third of the population of the entire Union, and which, with its soil, minerals, internal improvements and climate combined, is capable of maintaining and sustaining eighty millions of inhabitants, large portions of which may be employed in agricultural pursuits.
