

The Union as it was; The Constitution as it is!

SATURDAY MORNING, JULY 12. 4 Reading matter on every page.

On this, our nation's birthian, t Veclare to our foes, who are rebels agains the best interests of mankind, that this ar my shall enter the Capital of the so-called tion shall prevail, and that the Union, which alone can insure internal peace and external security to each State, must and shall be preserved.

GEO. B. MCLELLAN.

MEETING OF THE DEMOCBAT IC-COMMITTEE OF CORRESPOND-ENCE-The Democratic Committee of Cares. pondence for the county of Allegheny, will meet at the ST. CHARLES HOTEL, in the city of Pittsburgh, on SATURDAY, the 19th day of JULY, A. D., 1862, at 11 o'clook. A. M. A general attendance is requested THOMAS DONNELLY, Chairman,

Democratic State Ticket.

AUDITOR GENERAL, ISAAC SLENKER, Union County. SURVEYOR GENERAL. JAMES P. BARR, Allegheny County.

THE GAZETTE ON TREASON.

and the form is partial and or extended and an extended and extende the thousands who are left widows and fatherless by the deaths of patriots who gave up their lives for the Union never moistens their glassy eyes, but the bloody monsters are struggling to pass acts in Congress, designed to prolong the rebellion by crushing all Union feeling in the control of the Union most with the control of the Union will have taken place, while the following hy its special correst the erect deeds of valor.

From General McClellan's Army which ever degraded or deformed human nature. A virtual dissolution of the Union will have taken place, while the following by its special correst the erect deeds of valor.

The New York Times has been farmished with the following by its special correst to the 1th, was hoarded off Cape lines this morning.

The New York Times has been farmished with the following by its special correst pondent, who left General McClellan's had all their hunting flying.

Livertoon Makerys. The sales of Confernment of union, mutual kindness, the headquarters on Monday morning: Congress, designed to prolong the rebellion by crushing all Union feeling in the Southern States, the result of which must be either the acknowledgement of the success of Southern tresson, or a war of constant the other collision at only on the success of Southern tresson, or a war of collision of collision at only or a support the other collision at only or a support the other collision at only or a support to the success of support of the success of Southern tresson, or a war of collision at only or support or wasting extermination. The lasting, exterminating and horrid hatred of the describe Moors in Spain was not more unrelenting than the infernal malice of this fell spirit from our view. Abolitionists themselves of proscription. A shocking scheme, at the thought of which humanity shudders, to set a million of the most delegad slaves. to set a million of the most debased slaves and the overthrow of the finest tabric of in the country free, in a district where they outnumber the whites, was one of their pet.

Will the Gazette faction, with all its love.

To confer a doubtful benefit upon a million of blacks, it was and is willing to subject to their fury, their lusts and vengeance that number of whites. This and similar schemes we have opposed; we do not think them calculated to reach the point proposed-the restoration of the Union. The Gazette may denounce this astreas. Simmons, has decided to retain that Rhode on, and threaten through some skulking cor. Island Senator in his seat. Very well—though since the recent battles they have respondent, to put us down, but still as long as it and its correspondent permits us, we shall take the liberty of opposing all such pany of flagrant jobbers and speculators, rebel lines are some four miles beyond,

but we would probably be pondering over

dread of these, however, had no terrors

for your genuine Abolition philanthropist

t in relation to the prosecution of the war. or the proceedings of Congress, yesterday published a column sneering at McClellan nia Cavalry writes in which that consistent paper claims the largest liberty of expression. The New three companies, arrived near the scene York World the other day said something of a nion on Wednesday, June 25th, and about the War Department, and the the joined the five companies that had come FROM NEW ORLEANS. zette denounced it as treason. If such on before, leaving four companies behind.

blinded partizans had their way there under command of Lieutemant-Colenel J. Later from Vicksburg. From the article in question we select the regiment by communication being cut the opening paragraph: "It seems to be the opinion of a number

ns, who have lately become exeedingly resiless, owing to the warm ceather, or the fever-crisis of excited parzanship, of which, consciously or unconciously, they are the victims, that no word our columns in reference to the campaign on the Peninsula. So it was all through ast autumn and winter, with the same class of persons, in reference to the policy of inaction which characterized Gen. Meac—they regarded it as the height of pre-sumption, at least, if not downright bias phemy, to censure that policy, or to find any manner of fault with anything whatevr supposed to have the sauction of the young General, who, without having fough a battle or even been under fire on any field as a soldier, had been suddenly eleva ted to the place of commander-in-chief of the army on the retirement of General

Scott.

It is already ascertained that there will be no need of a conscription act to raise be no need of a conscription act to raise the three hundred thousand volunteers lately called for by the government. Every mail, says the Washington correspondent of the Philadelphia Press, brings vidences of the determination of the people to sustain the government. Gov. Curtin left for Washington on Thursday to consult in relation to the late call, and discussed them over a hill, and who say stated that he intends to advise that the agreement that the fire of the greatest of includer the consultance of the greatest of includer the consultance of the people to sustain the government. Gov. Curtin left for Washington on Thursday to consult in relation to the late call, and discussed them over a hill, and who say the said in relation to the late call, and discussed them over a hill, and who say the stated that he intends to advise that the agreement the mass have the mass have the mass have the mass and bear among acceptance. Bearing the price of three proportion.

The mail is the arrival terrors, and issued an order fixing the price of the cents per 20 ounces, and the cents per 20 ounces, and the advise of the make return to head quarters of all sums due to banks in the relations States, and also of all sums due to be a state of longistma and State of longistma from headquarter. The miss bear due two hours, and include the action to the late call, and dissipation of the people was doubtless too high, otherwise our mobile of the State of Longistma and State of longistma from headquarter. The make return to head the than sight, five o'clock proved to make a deal way, up to the state, and state of all sums due to be a state, and size of all sums due to be the State of Longistma from headquarter. The make return to head the state of longistma due to be a state of longistma from headquarter. The mak

outnumber the whites, was one of their pet measures, and all who opposed that most shocking enterprise was denounced by its advocates as traitors. Is it not monstrous one rests from his labor—and literally "his works do follow him." Let us, while we revers his memory cherish his to have such a country as this is cursed by such infernal fanaticism. But, thanks to the President and the patriotic men of his save the Union and the Constitution from party, that vile scheme was suddenly strangled. Had it not been, and the million of slaves referred to set free, the country would be, by this time, not reading against the parent Government. The Gaof McClelian's late fights near Richmond, zette must not overlook the fact that it was hired to support Mr. Clay for the Presi-dency long after he made the speech rethe accounts of outrages perpetrated upon dency long after ne made the speech referred to; therefore was well aware of this both sexes and all conditions, unparalleled man's views on slavery, and I will only in atrocity since horrors began. The add, in the words of Doctor Johnson, ap-

"In every speech persuasive wisdom flowed. In every and refulgent virtue glowed: Suspended faction ceased from race and strike, To hear his eloquence and profes his life.
