CITY AND NEIGHBORHOOD INTELLIGENCE

Preliminary War Meeting—A  
Mass Convention to be Held.

The undersigned, impressed with the belief that some immediate action should be taken in order to raise whatever quota of volunteers may be demanded from Allegheny county, and if need be, to raise by private subscription any funds requisite, respectfully ask their fellow citizens to meet to-day, (Friday), the 18th inst., at 10 o'clock a. m., at the room of the Board of Trade, Pittsburgh, for the purpose of setting up a plan for a Mass Meeting of the people of the whole county, for the purpose of raising a quota of volunteers.

The meeting was called to order by R. P. Nevin, Esq., on whose motion James H. Park, Jr. was unanimously chosen Chairman. Gen. William Robinson, Jr., George R. White, S. P. Von Bombar, George W. Cass, James P. Barr and Joseph D. Robinson were selected as Vice Presidents. Gen. Robinson declined serving, and retired from the seat he had taken upon the stand.

Messrs. D. O'Neill and H. H. Smith were named as Secretaries of the meeting. On motion of Joseph D. Robinson, a committee was appointed to draft resolutions expressive of the sense of the meeting, consisting of Jos. Snowden, H. P. Nevin, P. C. Shannon, Jno. H. Hampton and Robert Finney.

The committee retired for consultation, and in their absence Wm. M. Shinn, Esq., at the suggestion of several persons present, addressed the meeting at some length. The chief point in his speech was that the Government had induced the paralysis which has stricken our arms and the tardiness of enactments by its policy with regard to slavery.

When Mr. Shinn had concluded, John H. Hampton, Esq., from the committee of resolutions, read the following report, which was accepted, and the preamble and resolutions unanimously adopted: The President of the United States having determined to call for the call of the loyal States, to place in arms 300,000 men for the speedy and triumphant overthrow of the rebellion, and to the republic of the laws and constitution of the republic they have sought, with bloody hands, to treat the loyal people of the republic as the noblest duty of every citizen, in a time of public peril, like this, to uphold the rulers of the nation, to influence command and our gallant army, to influence soldiers on the field of battle, in all their efforts to conquer the enemy, and upon his broken banner to plant the glorious ensign of our country; therefore, Resolved, That the Chairman be and he is hereby authorized to appoint an executive committee of twenty persons, whose duty it shall be to make all suitable arrangements for a Mass Convention of the citizens of this county, to be called at such time and place as the said committee may designate.

Resolved, That the objects and purposes of the proposed mass assembly be declared to be as follows: 1st. The call to embrace and invite all those who are in the ranks of the loyal people of the nation, in their efforts to crush the foul and fiendish rebellion which menaces the Union and unity, as established by our fathers; and who are willing to aid the government in the speedy procurement of whatever quota of volunteers may be solicited from Allegheny county.

Resolved, That we appeal to the loyal-hearted people of this county to come together in this season of National peril and solidarity to express their views upon the subjects aforesaid, and by the moral effect of a monster meeting to strengthen and rally the hearts and hands of our public functionaries, as well as our brethren in the field.

Resolved, That the committee cause notice to be given of this meeting to the county, and that they be requested to invite the citizens of the different townships to be present at the meeting, and to point out day, with the assurance that the doors of hospitality will be opened wide and that their presence will give promise that our hills and valleys will be filled with the summons for help and are coming to the rescue.

Resolved, That all who love their country and hate treason, all who, by their influence, their example and their means, are desirous to crush the rebellion and firmly to stand by the government, and last, in its battles for preservation, are most earnestly requested to attend the meeting.

After the report was adopted it was suggested that an address be prepared by a committee appointed by the meeting, for distribution throughout the county; but it was agreed that such an address would do more properly from the mass convention, and no action was taken.

Mr. Nevin thought something should be done at once concerning the matter of raising our quota, relative to which there is much dissatisfaction in the county; and the State authorities should be modified to give the people the selection of their own field officers. If this was done he was confident a regiment could be raised in ten days—if not, enlistments would be slow.

Mr. Finney said that all necessary action had been taken on this subject in the resolution, upon which the committee would report to the mass meeting. The Chairman stated that the appointment of the committee would require deliberation and consultation, and he would announce the names through the press. Mr. Cass moved that Mr. Park be one of the committee. Mr. Bakewell moved that he be added to the committee. The amendment was accepted, and the motion put by Mr. Cass unanimously adopted.

The meeting then adjourned. The executive committee, as subsequently designated by the chairman, is as follows: THOMAS M. HOWE, Chairman. Robert McKnight, J. B. Marshall, P. C. Shannon, J. H. Hampton, Isaac Jones, B. F. Jones, J. K. Moorhead, J. H. Hampton, J. H. Hampton, J. H. Hampton.

Col. Switzer not Dead. A dispatch received from Maj. Switzer, Aid to Gen. McClellan, and a letter to Lieut. Col. Switzer, dated on Saturday last, some days later than the letter (not dispatch, as we were resting) from Lieut. Benj. Page, which only mentioned the death of Col. S. as a current rumor, says that he is a prisoner and but slightly injured. We are pleased to hear this, and cheerfully make the correction, hoping also that he may soon recover his strength and his liberty.

Proceedings in Reference to the  
Death of Major John Poland

The members of the old organization of the Duquesne Grays, assembled at their Quartermaster's office on Friday, the 18th of July, for the purpose of giving expression to their feelings for the loss in battle of their gallant associate, Major Poland.

On motion, Dr. Jonas L. McClintock was called to the chair and James Petrie, Esq., appointed Secretary. The object of the meeting was briefly stated by the chairman in neat and appropriate remarks, when on motion, Colonel Wickham, G. F. Porter and P. Barry were appointed a committee to draft resolutions.

The committee reported the following resolutions, which were unanimously adopted: Whereas, It has pleased the Great Ruler of the Universe to call to himself the death of another hero of our war, the death of John Poland, in the face of the enemy without pretension, and a citizen in all the relations of life, of a character worthy of emulation. Be it therefore Resolved, That the services of the country have, in his death, lost a soldier, a dauntless courage and a citizen combining the elements constituting the true patriot.

Resolved, That whilst living, we felt grateful to him for perpetuating the name of the Duquesne Grays, by the formation of Co. B, of which he was the gallant Captain. When dead we cannot fail to pay to his memory the merited tribute of a public acknowledgment.

Resolved, That we feel proud of the death scene of our deceased comrade, which, unappreciated by the world, has been bravely acknowledged, his errors and calmly breathing his hopes of a blessed immortality—confessions and hopes that cannot fail to prove an abiding source of consolation to his bereaved family.

Resolved, That among the list of officers supplied by the Company Roll of the old Grays to the army now in the field none occupy a higher niche in the Temple of Fame, or a deeper debt to the honor of his comrades, than Major John Poland.

Resolved, That the usual badge of mourning be worn for thirty days and that, in a body, join in the funeral rites at such time as may be hereafter fixed.

Resolved, That the proceedings be published in the city papers and a copy report be transmitted to the family of the deceased.

The 102d Regiment. In his official report of the battle of Malvern Hills, Gen. Howe, of General Howe's division, thus speaks of Col. Rowley's regiment: I then ordered the 102d Pennsylvania, Col. Rowley, which was held in reserve, to advance with our line upon the enemy. Nobly and gallantly did every man of the regiment respond to the order, and the could not resist, but gave way and were sent back neck and heels, in disorder. This success gave us much advantage of position, by allowing the left centre of the brigade line to rest upon the woods, some eight hundred yards in advance of our first position, and at the same time affording us a cross fire upon any second attempt of the enemy upon our position.

Dr. Herman Buehler. We again call attention to the card of this gentleman, now at the Monongahela House, where he can be consulted during the next four weeks and no longer. He was for a long time assistant to Dr. Robert Huter, who was highly successful here, and pursues the same course of treatment for throat and lung diseases, viz: inhalation. Dr. Buehler has been very successful in the treatment of many cases of throat and chest and professional advice. We advise the afflicted to call on him at an early day.

Prisoners at Salisbury, N. C. A private letter from I. J. Barry, Co. A, 102d Regiment, gives the names of the following prisoners held at Salisbury, N. C.: Lieut. Capt. Dawson, sergeant, A. Hill, D. L. Sims, James O'Donnell, Lieut. O. H. Robinson, Thos. Rest, Stephen Cooper, Wm. Merriman, and Jacob Burkhardt.

Storm at Monongahela City. During the exhibition of Van Amburgh & Co.'s Menagerie at Monongahela City, on Tuesday of last week, a terrific storm of rain and wind passed over that place, the wind lifted off a part of the canvas, and the rain thoroughly drenched the spectators. The storm excited the animals, which set up a general howl, alarming the audience, who made a rush, pell mell, get out of danger. During the stampede several persons were knocked down and injured, but not severely.

Postage Stamps as Currency. Under the law which passed Congress on Thursday postage stamps are made legal tender for all sums under five dollars, and all banks and corporations are prohibited, under severe penalties, from issuing bills of a lower denomination than one dollar. The stamps to be used as a circulating medium will be printed on thick paper, without gum, and may be changed, as we understand, for the Government demand notes.

Excursion Train. To-morrow a special train will be run on the Pittsburgh, Fort Wayne and Chicago Railway, from the Allegheny station to New Galilee, for the convenience of persons wishing to attend the camp meeting now being held near that place. The train will leave Allegheny at half past seven a. m., and the fare for the round trip has been reduced to one dollar.

Personal. Hon. John Sherman, of Ohio; Col. Frank Blair, of Missouri; ex-Gov. Wickliffe, Powell, and Mallory, of Kentucky and Potter, of Indiana, arrived here yesterday on the noon train from the East and passed through en route for home. Hon. John Cowley, of Westmoreland county, and S. S. Blair, of Cambria, were on the same train.

The Price of Gas. At a late meeting of the Trustees of the Pittsburgh Gas Company, a resolution was passed to the effect that the company will notwithstanding the government tax of fifteen cents per thousand feet, furnish our citizens with gas at present rates for the ensuing six months. This action is at once liberal and patriotic in consideration.

Suspended Specie Payment. The Franklin Bank of Washington has suspended so far as to refuse coin in large amounts. The Bank says: "The Directors do not propose to present to suspend the payment of coin to note holders, but only to refuse it in cases where the demand is made for the purpose of speculation. In this respect it will only interfere with brokers, and we think it highly proper."

Letters for Rowley's Regiment. Corporal Jno. D. Hughes, Co. K, 13th Regiment, leaves on Monday, 21st inst., for the front. Persons having letters to send to the regiment will please send them at the store of R. & A. C. Duncan, 291 Liberty street, until noon.
