tenance of these institutions you must this crisis. Treason is to be punished-Sive them up. In some States of the Union do man blood avenged-a country saved-

In some States of the order no man dare avow his sentiments. Is there a man who will not put forth his hand in be-half of those who agree with him in senti-ment in the South? If there were any istic address, remarking that though for the time a leaden cloud had passed over such here, he would say to them "deparin peace.

our horizon, 29,000,000 of Northern free Twelve or fifteen years ago, in an execmen need never feel gloomy in the face of 4,000,000 or 5,000,000 rebels. Our sylvanis that if they did not rease delify-ing African slavery the evil that has come President now realizes that "grim-visaged war" is upon us and that the rebellion would fall upon us. For this he was called a false prophet and turned out of office must be met in the spirit which animated our forefathers in the revolution. the freemen of Pennsylvania. have done all we could to show our rebel-It is now our duty to give our means to lious brethren their error and dealt kindly with them-even too long. We have now carry on this war, which must be a war of destruction. We must let our enemies no alternative but to carry the war home know that there can be no resting place for them so long as they are in rebellion

and pursue it to a successful issue. The executive asks for more men to put down this odious rebellion—which seems against the best of governments. We must preserve the sacred trust given to be a warning and a punishment from Providence. He implored all, by every memory and tradition of the past. to leap forth and stand by our flag until it floats us by our Revolutionary fathers ; we must teach our youth that they must give their by 3 for the preservation of the Governover Charleston and haughty Richmondthat they must be in earnest if they wish to - even dag float as heretofore-honored and we prove to the Southern traitors that we can and will maintain the integrity of and respected in every part of the habitable that flag at the expense of all our blood

globe. This was followed by the singing of the and treasure-come weal, come woe, this government must be preserved. following ode, written for the occasion by He closed with the following invoca-Rev. J. F. M'Claren, set to music by Prof. Slack, and sung by himself and his pupils :

RALLY, FREEMEN!

SY REV. J. F. M'CLAREN.

Best the drum I Sound the buglet To erust Raise the fing! Let the Stars and Stripes wa From your officer, shops, stores and farms-To the field and the battle, ye braves !

Leave the yard-stick, plow, hammer and pen, Sterner work must by freemen be done! Seize the tools now befitting, brave men: Seize the rifle, the sword, and the gun!

Hear we tamely our dear country calls Freedom's sons; their bright weapons we wiek See we calledy our brave brothers full, And not rush to their side on the field.

Called by those who in gory heds sloop : Called by thod to resist freedom's foss; Rebel hosts from our country to swoep, Can we basely sit still in repose ?

No! we hear you, ye martyrs of right; God we hear, who avergeth the slain-And as soldiers and brothers unite our fame and our flag to maintain.

Beat the drum i Sound the bugle! To arms! Raise the flag: Let the Stars and Stripes wave Raily, freemen, from workshops and farms For your country, the home of the brave! Judge Wilkins now introduced Hon.

n McCandless, who spoke briefly a few well digested remarks. The Judge said that many years ago he

foreign States. But here beneath this At stand No. 2, Thomas Bakewell, Esq., presided, assisted by Mayor Drum, of Allegheny City, and others of the Vice outstretched sky, in the prosence of Al-mighty God, and of one another, we pledge our lives, our fortunes, and our sacree Presidents of the meeting. The first honor, never to abandon this struggle speech here was made by Hon. John while their remains a traitor in the laud, and that any armed intervention, by any Weatmonder difference in the second difference in the Westmoreland district; and, as he more foreign power, in our present domestic than once took occasion to say, a member of the Congressional committee on the spirit of liberty to commence its triumconduct of the war. The opening of his speech was patriotic, and he urged upon

all there convened to come up to the help of their country. He urged immediate enlistments; too much had been lost already. He was authorized by the Secretary of War to say that those who enlisted now should nother by reretary of War to say that those who enlisted now should nother be re-quired to protect rebel property nor to return negroes into shavery; they would forage upon the energy's country, and that negroes ne amployed, if necessary, to col-iect supplies and render such and as they should leave no energy behind them; with such a policy and line Lane as commander, this rebellion would be over in a few months. He then adverted to the fact that he had been for the last eight months that he had been for the last eight months. The officers drew their swords and the men employed as a member of the committee on the conduct of the war, and that he their ground: but by the interfacence of word no harsh measures; not a spy has been the war, and that he their ground: but by the interfacence of word no harsh measures; not a spy has war, and more than he had any right to making it impossible for the proceedings at the instance of subordinates who had tell. His position was any tight one, but he would say that if we could raise three hundred thousand men, and use serious contenance ensued, but for a proceedings at the instance of subordinates who had no authority from headquarters. The war has been conducted in a dis-serious contenance ensued, but for a passionate spirit, and with a desire to as

Oh Columbia, the gem of the Ocean, The home of the brave and the free, The shrine of the brave and the free, A world offers hom ge to theo. Thy mandates make beross assemble. When liberty's form stands in view. Thy banners make trranny tremble. When borne by the red, white and blue, When borne by the red, white and blue. The banners make tyranny tremble. The banners white red, white and blue. When borne by the red, white and blue. The banners by the red, white and blue.

When war wased its widt desolation, Aud threatened our land to deform The ark then of freedom's foundation. Columbia rode asfe through the storm. With her garland of victory o'er her, When s. proadly she bore her bold crew, With ker fing floating roudly before hor, The boast of the red, white and blue. The boast of, &c.

The wine cup, the wine cup bring hither, And fill you it up to the brim, May the memory of Washington ne'er wither, Nor the star of his glory grow din. May the service united ne'er sever, But e'er to their colors provo true, The army and navy forever. Three obsers for the red, white a d blue.

oheers for the red, white a-d blue. Three cheers for, &a Hon. P. C. Shannon now introduce Prof. Samuel Wilson, of the Western The ological Seminary. He asked if this con-test was worth what it cost, and answered that it was. This crisis could not be esti mated in dollars and cents; gold is trash, silver is dirt, real estate is dung when silver is dirt, real estate is dung when thrown into the balance against an undivi-ded country—an untorn and untarniabed banner. Let blood run until it reaches the throat-latches of the borses before one star is torn from our National galaxy—or one inch of our soil taken away. We might as well fight it out now as have an inces sant war. The issue is forced upon us and we must meet it now. Sons of Pennsylvania, are you ready to bow at the throne of a South ern aristocracy. No! You will not, as long as you have men who can carry a

era givernment had decided not to accept long as you have men who can carry a musket, ram home a carridge and pull a trigger. By the blood of Black and Rip-pey, let this not be so. We did not desire blood, but they have cast the die and must etand its hazard. The forvernor had received a dispatch since he left Harrisburg, stating that it was the time set forth in the proclamation. Be this, however, as it may, he had au-ergy and integrity to indicate the way, and

Men of Pennsylvania-will you ever sleep more until our flag again floats over Sumter and the other places from which it has been term-you answer to. The rebels fight desperately, with halters about their necks. Resistless action is the word, and the men of the North muter line construction.

Never or now ! cries the blood of a nation. Poured on the turf where the red rose should bloom: Our flag on the land and our flag on the ocean

Our flag on the land and our flag on the ocean An angel of peace whereenever it goes; Nobly surrained by Columbia's devotion An angel of death it shall be to our fors-True to its native sky. Still shall our sagle fly-Casting his seathed glance after; Though bearing the olive branch Still in his tajons staunch, Grasping the boly of the thunders of war! Now is the day and the hour of salvation : Never or now | peaks the trumpet of doom.

Never or now ! roars the hoarse-throated cannon i brough the black canopy blotting the skies: Never or now! flars the shell-blacked pennon O'er the deep coze where the Cumberland lies.

From the foul dens where our brothers are dying, Aliensand foce in the land of their birth-From the rank swamps where our martyre are lying, Iding in vain for a handful of earth—

Hark to the sound! there's a fee on our border-A fee striding on to the gulf of his doon; Freemen are rising and marching in order: Leaving the plow and the auvil and loom; Bust dims the harvest sheen Of scythe and of ai kiek seen; The are sleepein pascs by the tree it would man Veterans and youths are out. Swelling the battle shout Grasping the botts of the thunders of war! From the hot plains where they perish outnum-From the act plants where the patie-field's plow, Furrowed and ridged by the battle-field's plow, Comes the loud summons, Too long you have alumbared— hear the last Angel-trump : Never or Now!

alumbard-har the last Angel-trump: Never or Now! Oh, that we could feel our responsibility —the destinies of this country and popular liberty, for time and the world. We dare not prove recreant, and permit the sun to go back upon the dial. If one yard of American soil is alignated now, the Con-stitution and the flag will be alike worth-less. We will make the scrifting required of us; for in our conduct the fine of Lubora milling is head and. We and the worth-less. We will make the scrifting required of us; for in our conduct the fine of Lubora milling is head and. We and the fine worth-less.
