The Times again repeats in deprecatory terms the new American tariff, and hints at the injury to be done to England by it, but it contends that the injury will be nothing to what America will suffer

The Times says that it is reported by private telegram from India that 115,000 bales of cotton have been shipped from Bombay in one week. This is believed to have been under the news of a rise of only a panny in Liverpool. It is consequently to be inferred that when the news of the recent great advance is received, much larger shipments will come forward than have been expected.

I am this day in receipt of another supply of this delicious Wine. It is a source of wonder that this Wine is not more highly prized and brought more into general use. It is immensely superior to all and every kind of Champagne Wines. Here you have a delicious Wine, accompanied with the fine aroma of the Grape, whereas it is a notorious fact that it is a utter impossibility to procure a genuine article of Champagne Wine. Try a bottle of this, and be convinced that parkling Catawba is superior to all others. The best article for sale by

DISEASES OF THE THROAT AND LUNGS. CATARRH, SORE THROAT, BRONCHITIS, TAKE THIS MEANS TO INFORM

MONONGAHELA HOUSE. Where I may be consulted for a limited time Where I may be consulted for a limited time. In regard to Bromehitts, Anthum, Communition, diseases which are so fatally interesting to a large portion of mankind, and evidently on the increase in the United Nates of America; it is desirable that correct ideas should exist so far as the present advanced condition of medical science can furnish them.

We know that in all diseases a timely application of rational remedies is more than half the We know that in all diseases a timely applica-tion of rational remedies is more than half the battle, and the aphorism which te-chest that "pre-vention is better than a cure," applies with per-culiar force to the case of Consumption, which, if once FIRMLY established, rarely, if ever, gives way, even in the most skillul treatment and the most sedulous care. Let all, therefore, who have reason to appre-hend the evidence of the eveds of the disease (acro-ficious districts) in the meelves or their children, not fail to obtain such salutary advice, with refe-rence to the regulation of their diet and the pres-ervation of their health, as my long experience enables me to give them. Positively no fee for examination of the Chest and professional advice.

HERMAN BUCHLER, M. D., Late Assistant of Dr. Robert Hunter.) Note-For the information of patients sufferng from Cstarrh, Sore Throat, Bronchitis, Aethina, and Consumption, I wish to state that my visit to Pittsburgh cannot possibly be extended beyond four weeks from this date. Patients should, therefore, embrace the oppor-

tunity to consult me at once, or at the earliest convenience; they thereby insure to themselves the privilege of beginning, and (in some cases) com-pleting their cure under my own personal direcion, while afterwards they will have to depend on written directions or correspondence.

In order to attend the beneatt of the treatment by Inhalation to the less wealthy citizens of Pittaburgh, I am willing to accept cases at a reluced fee.
