DAILY POST.

tion. The appearance of the newspaper press in most civilized countries would induce a casual observer to suppose that ADVER-stablished BUSINESS INSTITUTION. IN Condinary time attacks and network of the server to suppose that appear and the following teachers for the ensuing the tollowing teachers for the ensuing pared tor such a demonstration, and natu-could find no words to express his thanks and delegated that task to Hon. P. C. Shannon, who replied for him in a speech at once, eloquent and appropri-to the tollowing teachers for the ensuing established BUSINESS INSTITUTION. IN Could find no words to express that the tollowing teachers for the ensuing that the tollowing teachers for the ensuing teacher the tollowing teachers for the ensuing the tollowing teachers for the ensuing teacher teacher teacher teachers for the ensuing teacher teache Casual observer to suppose that ADVER-TISING was a universally recognized and established BUSINESS INSTITUTION. In ordinary times the press teems with adver-tisements, and appearances certainly indi-cate the free use of journals of large cir-culation as the great auxillery in business as in others, are not altogether true, for the fact is that out of ten men doing busi-two who rightly value and liberally use advertising mediums; two more, perhaps, occasionally resort to them, while the rest rarely, if ever employ them at all, and plod along in obscure circles of trade, and pass through life without an effort to rise above the position in which circum-stances originally placed them. rising was a universally recognized and May; Second Grammar, Miss Carpenter;

stances originally placed them.

stances originally placed them. But there is something more to be con-sidered on this subject. Experience has always shown to the conductors of news-papers that in periods of general depres-sion, from whatever cause, all classes of men are rather disposed to yield to the demen are rather disposed to yield to the de men are rather disposed to yield to the de-pressing influence than to rise up, encoun-ter and resist it. Happily there are indi-vidual exceptions, and it is these excep-tions which finally aid the turn of affairs. and contribute to the restoration of prosperity. But men, as represented by classes, the encounter, avoid the struggle. and if they do not actually succumb, sink down in hopeless prostration for the time being. In nothing does this appear more distinctly than in the disposition to withdraw from public attention in the advertising columns of the press; yet this is the very place in which, of all others, the ac-
