I do this the more readily in regard to finof-land's German Bitters, prepared by Er. C. M. I am indebted to my friend Robert Shoemaker, Exq. for the removal of this prejudice by proper cests, and for encuragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was failowed by wident relief, and restoration to a degree of sodily and mental vigor which I had not felt for its months before, and had almost depaired of reatings.
