Captain Fred. Gast.

This gentleman was the first to present a company to the Executive Committee under the call of the President for 300. ing men as we have seen in any one company since the war began. Dr. Rogers performed the duty of medical examiner. The men signed the enlistment rolls and each received his lifty dollar bounty check from the Executive Committee. Capt. Gast is a native of Langaster county, a soldier of the Mexican war, a worthy man and will, we have no doubt, be a gallant leader of the brave men who follow him to battle. Capt. Gast and the "Cass Infantry" will lead the column from Allegheny county. Who will come next?

Going for the War. At a meeting of the company officers of the battalion being raised by Edward Jay Allen, for Gen. Sigel, it was resolved that the term of enlistment should be changed from rine months to three years or during the war. By this means they will have until the 15th inst. to fill up the battalion, whereas the nine month's men must be ready to go to Harrisburg by the 10th.

The war spirit seems to be still on the increase, judging from the number who enlisted yesterday. Recruiting officers are entisted yesterday.
