Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects: I yet know of an sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was rejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture, I am indebted to my friend Robert Shoemsker, Esa. for the removal of this prejudice by proper cests, and for enceuracement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by avidont relief, and restoration to a degree of ix months before, and had almost depaired of reaining. I therefore thank God and my friend for lirecting me to the use of them.

DR. JACKSON DEAR S.R.—I have been fr quently requested to connect my name with commendations of different kinds of medicine, but regarding the "natics as out of my appropriate sphere, I have a all cases declined; but with a rlear proof in various instances, and particularly in my owh family, of the usefulness of Dr. Hoofland's German Bitters, I depart from my usual course, to express my full conviction that for general dobility of the system, and especially Liver Complaintit is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours very reopectfully.

DR. C. M. JACKSON - Sir:—It gave me pleasure,
wo years ago, to give you a certificate, testifying
nat the German Bitters had done for me. I am a
w perfectly sured of all those diseases your
idedicine professes to cure, viz: Dyspepsia, Chronvie and Nervous delity, disease of the Kidneys,
ic. The powerful influence it exerts upon Norvous prostration is surprising. I have been consulted frequently in reference to your Bitters, and
without hesitation, have recommended it for the
above complaints, and in every instance it has
effectually cured. Your medicine has a great
reputation in Germantown, and is sold in every
Drug Store, and in most of the Grocery stores
here. If any one should quastion what I say, let
them come to Germantown, and I will prove to
their satisfaction, that the Bitters have cured in
this vicinity more than twenty cases of the above
diseases,
Respectfully.

DR. C. M. JACKSON—Dear Sir: While in Virginia, owing to the change of water. I was taken with a severe diarrhoza, which seemed incurable, and which greafly weakened me. When we cached Martinsburg, I feared I should have for ome home; but noticing some of your Bitters in he store Mr. II. H. Price, in that town, I purhased a supply, and on taking it was speedily restored to health. The diarrhoza was quickly checked, and I experienced no return of it. A number of my comrades, who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this certificate. I expect to return to the seat of war with the Legon, and shall certainly take a supply of the Bittin my knapsack, take a supply of the Bittin my knapsack, take a supply of the Bittin my knapsack.
