Although not disposed to favor or resomment. Patent Medicines in general, through distrust of their ingredients and effects: I yet know of no sufficient reason why a man may not treety to the benefit he believes himself to have received from any simple preparation in the large that he may thus contribute to the benefit of others.

I do this the more readily in regard in Reading German Bitter, propared by Dr. C. K. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture, I am indebted to my friend Rebert Successary, and for the removal of this prejudice by proportests, and for the removal of this prejudice by proportests, and for the removal of this prejudice by proportests, and for the removal of the prejudice by proportests, and for the second debility. DR. C. M. JACESON - Sir:—It give me pleasure, wo years ago, to give you a certificate, testifying nat the German Bitters had done for me. I am ow perfectly cured of all those diseases your redicine professes to cure, viz. Dyspepsin, Chronic and Norvous debility, disease of the Kidneys, to. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Fitters and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown, and is sold in overy Drug Store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above diseases.
